

Privacy Policy for Vintage Snake Game

Effective Date: [07/08/2025]

Thank you for using the "Vintage Snake Game" Chrome Extension ("the Extension"). Your privacy is important to us. This Privacy Policy explains what data the Extension handles and how it is used and stored.

1. Information We Handle

The Extension handles the following types of data, all of which are stored locally on your computer:

- **User-Provided Information:** We handle the Player Name that you voluntarily enter to be associated with your high score.
- **Locally Stored Information:** To enhance your user experience, the Extension uses the browser's local storage to save your game progress and preferences. This data is stored only on your local computer and includes:
 - Your High Score and the name of the "King".
 - Your preferred Game Mode, Colors, and Speed.
 - Your Mute preference for the game sounds.

2. How We Use Your Information

The information handled by the Extension is used exclusively for the core functionality of the game, which is:

- To display your name and high score, creating a personalized goal.
- To remember your settings so you don't have to reconfigure them every time you play.

3. Data Sharing and Disclosure

We are committed to protecting your privacy.

- The Extension **does not collect, transmit, or share any of your data** with any external servers or third parties.
- All information remains on your own device.

4. Data Security

All data is stored locally on your device using the browser's standard `localStorage` functionality. The security of this data is managed by the security mechanisms of your web browser.

5. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on the extension's store page. You are advised to review this Privacy Policy periodically for any changes.
