[The IDEA: Ethical Decision-Making Framework builds upon the Toronto Central Community Care Access Centre Community Ethics Toolkit \(2008\), which was based on the work of Jonsen, Seigler, & Winslade \(2002\); the work of the Core Curriculum Working Group at the University of Toronto Joint Centre for Bioethics; and incorporates aspects of the accountability for reasonableness framework developed by Daniels and Sabin \(2002\) and adapted by Gibson, Martin, & Singer](#)
