

St Bernardine's Swimming Carnival

Park Ridge Pool, Tuesday November 15, 2016

Dear Parents,

This year our school carnival will be an awesome event with lots of activity and fun for students! We are combining all Years 3-6 to promote school spirit and to allow students to interact with children from other year levels. We will have our championship events and medals for the age champions, but our main focus is to give children multiple opportunities to have a swim and get points for their house. **To assist us in making this a great day, please ensure that your child remains at the carnival until its conclusion.**
