14. [ABS Team](#)

Jan Karsten-Brandt

ABS Team ist eine etablierte IT-Unternehmensberatung und offizieller SAP-Gold-Partner. Unser Fokus ist die Digitalisierung der Geschäftsprozesse im Personalmanagement. Wir konzipieren und konfigurieren kundenindividuelle SAP-Software mit innovativer Funktionalität und hoher Usability für HR-Abteilungen, Führungskräfte und Beschäftigte. Bei uns arbeiten ca. 120 Beschäftigte von drei Standorten aus an Projekten für Unternehmen aller Größen und Branchen. **Schließt Du bald Dein Studium ab? Bist Du kommunikativer Durchstarter, Quereinsteigerin mit analytischen Stärken oder lösungsorientierter Digital Native mit Begeisterung für Software-Lösungen?** Dann werde ein Teil unseres Teams als Berater oder Entwickler (m/w/d)!

ABS Team is an established IT consultancy and official SAP Gold Partner. Our focus is on the digitalization of business processes in HR management. We design and configure customized SAP software with innovative functionality and high usability for HR departments, managers and employees. We have around 120 employees working from three locations on projects for companies of all sizes and industries. **Are you ready to take your next steps and do you have a good level of German? Are you a communicative starter, a career changer with analytical strengths or a solution-oriented digital native with a passion for software solutions?** Then become part of our team as a consultant or developer (m/f/d)!

15. [EVOTEC – #beCUREious and make our journey yours](#)

Yvonne Hansen

Evotec is a fast-growing life sciences company with more than 5,000 employees at 17 sites around the globe with a wide range of career opportunities. Addressing causes of a disease rather than just its symptoms is the driver of our daily actions. Evotec researches, develops and manufactures precise and innovative medicines for, and with, leading pharmaceutical and biotechnology companies, as well as academic institutions. At Evotec you'll take on challenges and can realize the full breadth of your potential as part of a diverse team working across the globe. The joy of exploring is a feeling that unites us all. Together, we are CUREious. [Evotec's career's page is here](#)

16. [KWS – world-leading plant breeding company](#)

Nora Wehner

Find out what it would be like to work at an international company, as well as the range of staff that they recruit.

17. [TNG Technology Consulting](#)

Jan Caron, Benjamin Schmidt

As a partnership-based IT consultancy, TNG Technology Consulting works in a customer-oriented manner on a variety of projects in the areas of Agile Software Development, Artificial Intelligence, and DevOps & Cloud. In addition, TNG works on topics in Big Data and IoT, mostly using Java and TypeScript, but also other programming languages, such as Python or C#. Our clients include large corporations as well as medium-sized companies and start-ups from a wide variety of industries, including telecommunications, security technology, insurance, fintech, and automotive.
