Question 3

Suggested time — 40 minutes.

In her book *Gift from the Sea*, author and aviator Anne Morrow Lindbergh (1906–2001) writes, “We tend not to choose the unknown which might be a shock or a disappointment or simply a little difficult to cope with. And yet it is the unknown with all its disappointments and surprises that is the most enriching.”

Consider the value Lindbergh places on choosing the unknown. Then write an essay in which you develop your own position on the value of exploring the unknown. Use appropriate, specific evidence to illustrate and develop your position.
