

## Perks & Rewards

- **Paid Time Off (PTO)**

PTO starts accumulating once you've been employed with us for 90 days, and it will start accruing each time you reach 40 hours. You can use this time at your discretion, but with management approval, of course.

- **Discounts**

Working with uat HD Derry, LLC, you're entitled to a 50% discount at all times! So even when you're NOT working, you get perks! But keep in mind, this perk is just for employees, not for your family or friends.

- **Rewards**

Earn rewards points just for doing your job well! Points will accumulate and get you gift cards!
