- 4. What has been your least favorite part/What have you learned?
- 5. What has been your favorite part of your work?
- 6. Ask to explain importance of research area / topic
- 7. Ask how research topic helped them with their courses/understanding the subject more
 - a. how has doing research, in general, enriched their lives/time in college or in higher education
- Friday 3/4, 12:15 - 12:42 PM
 - 12:15 - 12:35 → 20 minutes, 4-5 questions
 - 12:35 - 12:42 → Questions
- Ideas (after the students have picked a specific topic they want):
 - Do activities that correlate with a research area we've previously discussed
 - Pick a topic (from the research panel) that we can initiate research on to help show how research is done
 - Prepare a short problem for students to solve.
 - Break out rooms with different panelists in each (4-5 min each)
- UCD Picnic Day ideas
 - Kirigami
 - 3D Printing
