

Mission Statement

St. Paul Lutheran School exists to nurture our school families with God's Word, to guide them in applying their faith to their lives, and to joyfully share the good news of our salvation with the world around them. Proverbs 22:6—"Start children off on the way they should go, and even when they are old they will not turn from it."

From the Principal

Fall is harvest time. For those of you with a garden, you are probably pulling in the last of your vegetables, prior to frost and colder temperatures. As we near the end of the first grading period, it is also a time for our students to harvest the fruits of their labor. Whether that results in an A, B, or C, the most important harvest is the learning that takes place for each student. Have they put in the time and effort to master the concepts in their coursework? Are they developing the habits to be successful in life, by prioritizing their schoolwork? Are we making school work completion a priority at home by sitting down and completing it on a daily basis? It is never too late to establish good routines and habits for children, especially as they move into the upper grades. Blessings to all our students as they look to reap the harvest of their labors.

Trunk or Treat

2023 is on Saturday, October 21, 3:30-5:30 pm. Would you consider decorating your trunk and handing out candy? Are you willing to donate candy for the effort? Follow [this link](#) or use the QR code below to get started:

School News

Athletics

Thursday, October 12 - Family Soccer Game (4:00 pm)
Saturday, October 14 - FVWAL A-VB Tournament at FVL. Appleton
Sunday, October 15 - Mother/Daughter VB Games (1:00 pm - B Team, 2:00 pm A Team)
Basketball and Cheer information will be sent home tomorrow. Please return the appropriate forms and fees by Friday, October 20. Practices start the week of October 23.

(Visit our Fox Valley WELS Athletic League website fvwal.org to learn more.)

Girls' B Basketball Coach Needed

We are seeking our next Girls' B basketball coach. If you are interested and willing or know of someone who may be a good candidate, please get in touch with Clair Jammer (clair.jammer@stpaulgreenbay.com) or Aaron Wellhoefer (aaron.wellhoefer@stpaulgreenbay.com).

Technology

We have begun exploring upgrading our web filter to Google Audit Tool or GoGuardian. If parents have any questions, concerns, or comments on this we do welcome any input. We have signed a contract with Heartland Business solutions to consult on our VOIP phone system. We are still on track for a network switchover on Oct 26-27.

Extended Learning

We are wrapping up our meetings with each of the teachers to review and approve classroom and student plans. As stated last week, please look for communication from us on setting up some time to meet during Parent/Teacher consultations for us to connect with each of you about your students' plans as well..

PTO

Please join us for St. Paul Eagle Night at FVL. On October 13th we are planning to represent St. Paul while cheering on the Foxes. We have 100 tickets available on a first come, first serve basis. If you would like a ticket or two, please contact Zandalee in the office.

Classroom News

7 & 8-Mr. Brennan

The term ends this week. We have a few cases of absences creating some missed work in ELA, that will require time outside of school to get caught up. Please be aware your child may need to stay after school to get it caught up. Thank you to all the Mom's that visited our class. We hope you enjoyed the time you had with your children, even more than the muffins.

6-Mr. Jammer

Grades 5-6 sing this Sunday, October 15, in the 8:00 am service here at St. Paul and again next Sunday, October 22, at Messiah (3186 Eaton Rd. Green Bay, WI 5431) in their 10:15 am service. Students will sit with their family and come forward to the front of church when it is time to sing and return after we're done singing our song. Hope everyone can make it to join in singing our song of praise, "His Robes for Mine."

5-Mr. Wellhoefer

This week we learned about truly trusting what God's plan is for us and how we sometimes fall into sinfully helping God with situations in our life. We have the opportunity to sing this week, in our 8:00 am service, about how Christ died in our place because of our daily sins. Thank you to all that joined us yesterday for Muffins with Mom!

4-Mrs. Hepner

We finished up our stream tables this week with flooding and also designing our own. The 4th graders did an awesome job presenting their book reports this week. I'm excited to see what their next books will be! As our fall sports come to a close, it's time to have a few weeks of quiet before our winter sports pick up. Enjoy those evenings and let's start the 3rd quarter strong! Thank you to all the chaperones who have helped with our field trips the last couple weeks.

3-Ms. Broring

Thank you to everyone who chaperoned our field trip last week or joined us this week for Muffins with Moms. We had a blast both days! This week we're taking a break from novels and focusing on nonfiction in reading class. We are also wrapping up our personal narrative unit in writing class and will be sharing them with our classmates tomorrow.

2-Mrs. Bakeberg

What a week we had! Thank you to those who were able to join us for Muffins with Moms and to our Mulberry Lane drivers. Now we are already starting the second quarter of school! Second grade creative writing is really becoming a thing of beauty with the adjectives, adverbs, and editing that is happening. Please watch for the math facts that can be practiced at home; new ones will be added soon!

1-Ms. Koenig

Thank you to all the moms that joined us at school on Wednesday, and thank you to all the chaperones for our field trip. We had a fun-filled week of activities! Our exploration of wind continues as we learned how to use an anemometer and pinwheels to gauge the wind speed. Our sentences in writing class are becoming more detailed as we add adjectives and adverbs.

K-Mrs. Jammer

We have been observing fall trees and sampling fruit that grows on trees. We are also studying the weather and recording it in our science journals. We have learned breathing techniques that help our brain when feeling big emotions or when we get too crazy. By

Mission Statement

St. Paul Lutheran School exists to nurture our school families with God's Word, to guide them in applying their faith to their lives, and to joyfully share the good news of our salvation with the world around them. Proverbs 22:6—"Start children off on the way they should go, and even when they are old they will not turn from it."

taking a pause, our brains can relax and be ready to learn. It was an exciting week with "Muffins with Mom" and beginning to read our first words. Tomorrow morning we get to do different activity stations with our school BASIC groups.

3K & 4K-Mrs. Zabell & Mrs. Nelson

It was fun to show our moms what we do at school all day! This week we explored with magnets, played with corn in the sensory table, and used mini pumpkins in our play. In our Bible time, we learned that Joseph forgave the sins of his brothers, just as, because of Jesus, God forgives us when we do wrong things!

From the office

On Wednesday, October 25 grades 4K, K, 1, 3, and 5 will be having vision screening done by Bellin. If you wish your child to NOT participate in the screening, please contact the office at office@stpaulgreenbay.com.

If you haven't seen any billing for childcare or lunch, please contact the office so we can get you set up for procure.
