Defining objectives

Momentum trader: focused on trend and structure

Big picture oriented

Strongly Opinionated-I does not let small wiggle change my mind

Passive-ride the big train or follow structure

Time Availability: I have time to look at the charts for 2 -4 hours daily. I prefer swing trading because it works best for my schedule and mindset

Risk tolerant : Young 23 years old, and i have responsibility (family) I'm doing an full time job i earn about 1,000 AED every month, my account size is 2,500 AED

Asset class: I'm looking more into stocks looking at underlying also..

Thanks professor..
