

THIS DOCUMENT IS BEING UPDATED FOR THE 2026/27 SEASON - WORK IN PROGRESS - SUBJECT TO CHANGE

#1 Question we get: "When Is My Practice Going to Be?"

- The schedule is always subject to change - we do our best to keep it stable, but flexibility is sometimes needed.
 - **PK Soccer** (2-3-year-olds): 6:00 pm
 - **Academy Juniors**: 6:00 pm
 - **Academy Cadets**: 7:00 pm
 - **Academy Seniors**: Either 7:00 pm or 8:00 pm*
 - **Younger players**: Most likely 6:00 pm*
 - **Older athletes**: Most likely 7:30 pm*
- *These are typical time slots, but are subject to change based on registration numbers and field availability.
- We recognize the importance of planning and do not want to disrupt routines, but **field space, coach availability, and late registrations** require adjustments. The goal is to provide the best possible experience for all athletes.

#2 Question we get: "What is my athlete's soccer age (U8, U9, U10, etc.)?"

- See the table below
- We wrote a whole page/blog post in this issue [HERE](#); please read it and reach out if you have any questions.
