

Who is a player you guys refuse to draft regardless of skill or draft position?

Y

Who is your guys' most underrated and overrated players in Fantasy? Just in general.

Y

In a league where you can only keep 3 players would you keep three forwards or mix in a dman considering value over replacement?

Y

Have you guys ever drafted a team focusing on the banger and peripheral stats in a cat league? And is it a viable strategy?

Y

Going into my second year of fantasy hockey any general tips for the draft? What round to take goalies ect. (10 team lea

Y

What stats do you hate to be included in 'fan pts'

Is Erik Gustafson's 2018-19 season sustainable?

Y

What is your opinion of using trade blocks?

Y

What is your opinion of people that ignore unsolicited trade offers.

Y

What is the best piece of advice you would give a 1st year player.

Y

What is your favorite type of Pie?

Y

The term "win a trade" is used often. Do you believe you should try to "win a trade" or make a reasonable/good trade for both teams.

Y

What is the most unique or unusual league you've been in, what made it that way and did you prefer it to a more standard league?

Y

Who would you rather have in a keeper league, Mark Stone or Alex DeBrincat?

Y

Top 5 sleeper picks outside the top 150 for a bangers league

Have you ever or do envision ever doing a Fantasy 101 (discuss terms, scoring, etc.)?

Y, point to league settings ep which covers almost all of this

When doing a start up dynasty draft what are things to consider? Avoid?

Any hard rules, like say never draft a goalie with a 1st round pick?

Y? Feel like we covered this for the most part

In a 2 goalies ratio league (no SV), how useful is having a 3rd Goalie? And how often would you bench a starter for him?

Y

What is Jack Roslovic's upside in 2019-20 as well as long term?

Want to start an ongoing league next year, might one or two fantasy hockey novices but they're good friends and fantasy players who I trust will remain dedicated. Do you guys suggest things like keeper or dynasty, points or roto etc.? Any other tips would be very helpful too. Keep up the great work guys!

Y (point to league settings ep)

with the addition of Tyson Barrie, do you see Morgan Reilly's fantasy value dropping? Does Tyson Barrie's? Or do they both benefit?

In a yahoo league, what is a fair amount of player add/drops? I recently switched my league from unlimited to 100 'Moves' per season

In a keep 6 league, with the first overall pick, would you take Hughes or Kakko?

I'm not sure who to keep in my bangers league with 5 keepers, I'm definitely going to keep Vasilevskiy. After that which 4 would you choose out of Quinn Hughes, Brady Tkachuk, Dahlin, Monahan, Boeser, Laine, Svechnikov?

What stats do you think could be added to a H2H Point league that can add some extra spice? I was thinking about PIMs, but some managers in my league aren't too keen on the idea.

My dynasty draft is early this year (mid-august). What should I do about the RFAs unsigned?
