Business	Internship Title	Internship Description & Responsibilities
All Stars Hair Studio 5 Parkside Avenue Reading, PA 19607 (610) 741-6029 **Corleone's Barber Studio** 4205 Perkiomen Avenue Reading, PA 19606 Contact: Dominic Chisolm **Fine Linez Barbershop** 704 Penn Avenue West Reading, PA 19611 Contact: Chris Martinez	**Barber Internship** **INFO**	A barber apprenticeship is a training program where aspiring barbers work with an experienced barber, learning how to cut and style hair effectively. Besides attending barbering school, an apprenticeship is often the only other way to obtain a barber's license. These apprenticeships provide individual training on various haircut techniques, including learning how to cut hair into many common hairstyles and how to cut facial hair. Barber apprenticeships vary in duration and typically continue until an apprentice is ready to become a professional barber. Here are some common topics covered in a barber apprenticeship: cleaning and hygiene, barbershop business operation, laws and regulations relating to barbershops, facial hair cutting and shaving, hair styling and coloring, and client interaction

Alvernia University	**Alvernia University - O'Pake Institute** 401 Penn Street Reading, PA 19601 Contact: John Dever 610-796-5107	**Entrepreneurship Internship** **INFO**	The O'Pake Institute is a catalyst for regional economic development and educational expansion, including a student-centered business incubator in downtown Reading. Through our student-powered services, we provide hands-on distinctive experiential learning opportunities. Students from all academic backgrounds can work directly with regional entrepreneurs, small business owners, faculty researchers and industry leaders. Students can learn about their desired professions while being creative and ethical leaders. We are seeking a motivated and enthusiastic high school student to join our team in the following areas: Finance, Accounting, and Venture Investment; Communications, Marketing, and Digital Media; Community and Economic Development; Innovation and Technology Transfer. These internships offer hands-on experience in various aspects of business, providing a solid foundation for future career growth in the field. The intern will work closely with the Graduate Assistants of Alvernia University.
ANIMAL RESCUE LEAGUE OF BERKS COUNTY EST 1952	**Animal Rescue League of Berks County** 58 Kennel Road Birdsboro, PA 19508 Contact: Leann Quire 610-621-2831	**Animal Care Internship** **INFO** **APPLICATION**	We welcome students ages 15 and older to apply for our internship program. Interns must be 18 years or older to directly handle animals. Students under 18 may participate with parent or guardian approval. Interns play a vital role in supporting daily operations and animal care. Responsibilities include: cleaning and maintaining animal areas; laundry; dishes; sweeping and mopping; restocking supplies; and assisting with general facilities upkeep. Beyond daily tasks, interns also gain hands-on learning experiences, including learning about animal enrichment and feeding practices, shadowing medical procedures, understanding the adoption process, and observing shelter operations and animal welfare practices. This internship is ideal for students interested in animal care, veterinary medicine, shelter management, or non-profit work who want meaningful, real-world experience in a supportive environment. An application is required. This is an unpaid, year-round opportunity with a minimum commitment of 5 hours per week. No prior experience or background check is required. However, we are looking for individuals who are responsible, reliable, motivated, and eager to learn.

Wyomissing Area School District Internship Program - Internship Partners Continued

	Anni B. Monogramming 1424 Monroe Avenue Wyomissing, PA 19610 Contact: Antje Scantzos 610-780-7368	**Small Business Internship** **INFO**	Antje Scantzos is a local small business owner specializing in heat press and embroidery for various types of apparel. Interns will assist in production and learn the inner workings of a small business including, but not limited to: inventory control, purchasing, sales, marketing, accounting, and Quickbooks. This internship opportunity is unpaid and is available for the fall or spring semesters. Offered in conjunction with the Exeter Township SD Internship Program. The number of participants is dependent on demand and time of year.
	Atonement Christian Preschool 5 Wyomissing Blvd. Wyomissing, PA 19610 Contact: Jen Dauber 610-375-8049	**Early Childhood Education Internship** **INFO**	High School Interns will gain experience and knowledge about the field of Early Childhood Education. Interns will have the opportunity to have hands-on experiences with young children ages 2 to 5 years. You will learn the importance of play, routine and guidance on child development by engaging with students throughout their class time activities. We offer morning toddler, preschool and PreK classes and afternoon enrichment and Stay n Play classes. Internships are unpaid with the potential of future hiring. Clearances required include Child Abuse and State Police background checks for internships. FBI fingerprints required for future hiring.
	Be Mine Boutique 637 Penn Avenue West Reading, PA 19611 Contact: Alison Pakradooni 610-621-9124	**Social Media/Marketing Internship** **INFO**	This internship is an unpaid experience-based internship where we welcome both 11th & 12th grade students to apply, and hours are flexible based on students' schedules, but we do ask for two committed days per week. We prefer full-year experience to keep our team consistent, but we can make exceptions based on the applicant. Students interning at Be Mine will further explore and understand social media marketing and how trends and social media can relate back to business growth.
	Berks County Intermediate Unit: Head Start, Pre-K Counts, Early Intervention Multiple Locations in Berks Contact: RC Youse	**Paraeducator Internship** **INFO**	Paraeducators assist teachers in supervising students, planning and implementing curriculum, and creating an environment that responds to the needs of the students in the classroom. When applicable, they assist IEP teams in implementing IEP goals and objectives. BCIU provides services to preschool-aged children through the Head Start, Pre-K Counts, and Early Intervention programs. This is an unpaid internship with opportunities for employment post-high school. Students are not required to obtain clearances or TB tests for participation.

	Berks County Intermediate Unit: School Age Services Multiple Locations in Berks Contact: Kierston Coleman-Allen	**Special Populations Internship** **INFO**	Students can participate in a variety of opportunities throughout the IU, including early childhood, school age, and transition age adolescents/young adults with disabilities. We have opportunities in the following area's of expertise: deaf and hard of hearing, students with visual impairment, speech and language, school psychologists, special education classroom settings, school social work, school counseling, case management and family engagement, transition to adult living programs, as well as Project Search career preparedness experiences. This is an unpaid opportunity. All students will be required to obtain volunteer clearances to participate.
	Berks County Magisterial District Courts **441 Morgantown Road** **Reading, PA 19611** Contact: Judge Priscilla Campos 610-375-7101 **401 Walnut Street** **West Reading, PA 19611** Contact: Judge Eric Taylor 610-374-7721	**District Court Internship** **INFO**	Most people have their first experience with the judicial system in municipal or district courts. Magisterial District Judges (MDJs) handle civil cases up to $12,000, summary matters, and have initial jurisdiction over all criminal cases. Student interns working with MDJs will have the opportunity to interact with judges, court staff, district attorneys, defense attorneys, police officers, and detectives. Interns have the opportunity to observe open court within the district court and/or Berks County Courthouse. This is an unpaid opportunity for students interested in law, law enforcement, and the judicial system as a whole. This experience is available for both fall and spring semesters.
BNB MEDIA FLAGSHIP NETWORK	**BNB Media/Flagship Network** Reading, PA Contact: Brandon Faust	**Broadcasting/ Videography Internship** **INFO**	BNB Media is a premiere media production company that works alongside Flagship Network to bring our local community a media platform with quality that is unmatched. We specialize in live broadcasting various sports as well as post production projects such as "The Wyomissing Area Football Banquet Video". We are looking for highly motivated individuals in multiple positions. We will give students interested in sports journalism an opportunity to work alongside peers that have experience in their field. We also look to teach students what it takes to thrive behind the camera for both live productions & post productions. Students will learn entry level skills that will give them an edge over their peers in future opportunities. We will give our student videographers an opportunity to film and edit projects that have deadlines realistic to the real word, to get them acquainted with the industry workflow. BNB Media delivers the best quality sports production in the area, and we want to teach you how we accomplish those expectations!

	Family Guidance Center 1105 Berkshire Blvd. Suite 110 Wyomissing, PA 19610 Contact: Toni Gerhart 610-374-4963, ext. 3480	**Counseling Internship** **INFO**	Student interns will have the opportunity to observe counseling sessions, both individual and group, assist case managers in updating clinical resources, and learn about the community mental health organization's mission and values. Additional experience can include fundraising, updating social media, creating flyers or brochures for community outreach or events, researching mental health topics to support center projects, or writing newsletters. Certain duties/observations can only be performed under supervision and with the patient's permission. Interns will learn about HIPAA and confidentiality laws. Assistance with group sessions includes preparing materials (worksheets, art supplies, etc.), designing mindfulness or self-care handouts, and observation. Interns may interact with the community through wellness events, workshops, and by welcoming visitors/helping with the reception area. This is an unpaid internship for seniors only. Full-year experience preferred. Interns are required to complete all background checks for participation.
	Finch + Fern 728 Penn Avenue West Reading, PA 19611 Contact: Kristan Callan or Mechelle Bush 484-869-5617	**Small Business Internship** **INFO**	Finch + Fern is a local gift shop that specializes in home decor and American-made furniture. Interns would learn what goes into operating a small business, including inventory control, customer service, and marketing (social media photography and staging). This is an unpaid opportunity for students Tuesday - Friday and weekends with AM & PM availability.
	Fr. Meyer's Sohn North America, LLC (FMS) 5 Commerce Drive Reading, PA 19607 Contact: Daphne McCollum 484-220-0766	**Business & Logistics Internship** **INFO**	Fr. Meyer's Sohn North America, LLC (FMS) is the North American arm of a global logistics and freight-forwarding company with more than 125 years of history. Our focus lies on arranging and managing international freight transportation, including imports and exports across multiple industries. Business & Logistics Interns with FMS will rotate through four departments over the course of their experience - Import Operations, Export Operations, Accounting & Finance, and Business Analytics & Strategy. The goals of the internship are to expose students to freight forwarding and international trade operations, provide hands-on experience with industry software and documentation, and offer opportunities to network with industry professionals. This is a paid opportunity open to juniors and seniors; a resume and an interview are required.

Wyomissing Area School District Internship Program - Internship Partners Continued

	The Goddard School of Wyomissing 25 Commerce Drive Wyomissing, PA 19610 Contact: Tricia McKay or Jeni Shade 610-478-8757	**Early Childhood Education Intern** **INFO**	High School Interns will gain experience and knowledge about the field of Early Childhood Education. Interns will have the opportunity to have hands-on experiences with young children ages 6 weeks to 5 years. In addition to assisting with educational activities, you will be exposed to basic caregiving, licensing regulation awareness, and the everyday responsibilities for careers in Early Childhood.
	Greater Reading Mental Health Alliance 1234 Penn Avenue Wyomissing, PA 19610 Contact: Wendy Seidel 610-775-3000	**Social Work Internship (Psychology)** **INFO**	GRMHA provides numerous mental health-related services in the community. Students would be able to shadow certified peer specialists who work with people in early mental health recovery, helping them to navigate the mental health system and to identify and learn coping skills to live a healthy lifestyle. They could also learn about the older population who are experiencing not only mental health but also dementia related issues. We have an educational advocacy program where students could learn about the special education system and watch advocates help families navigate that system within a school district. We are also involved with various community-based support groups, including suicide loss and grief support. All of our services are best suited for internships that have availability in the afternoons or evenings.
	Jerry Geleff Media/Spartan Sports Network Contact: Jerry Geleff 610-207-0201	**Broadcasting Internship**	Jerry Geleff Media and the Spartan Sports Network are seeking two interns to assist in all aspects of a commercial broadcast enterprise. Starting with football, boys and girls basketball, baseball, and softball, our broadcasts will be live on YouTube, and free for the public to view. We seek motivated individuals who desire to learn the streaming industry from the ground up. Your duties will include helping with broadcasts, having an on-camera presence, and conducting interviews both on-field and in the stands. If you have video editing experience, you'll be called upon during the game to help assemble highlights for use during the halftime show. If you don't have video editing experience, we'll teach you. Our broadcasts will be special events, with on-screen graphics and video and audio presentations. One of the perks/duties of the internship will be the creation of your own podcast, a weekly show centered on Wyomissing student life. You can make it about sports, clubs, or anything you wish, as long as it's about the students. If you have an interest in sports journalism, this is a great opportunity for you to learn. This opportunity is unpaid and can be scheduled for the full year or semester

	Keller Williams Platinum Realty 60 Commerce Drive Wyomissing, PA 19610 Contact: Chris Marrella 609-442-9946	**Digital Marketing Internship**	
	Keystone Specific Chiropractic Center 1287 Penn Avenue Wyomissing, PA 19610 Contact: Caitlan Becker 610-741-6700	**Chiropractic Office Internship** **INFO**	Keystone Specific Chiropractic Center offers a hands-on, observational internship experience for motivated 11th- and 12th-grade students who are interested in healthcare, wellness, and small business operations. Interns will have the opportunity to shadow the doctor and team during patient care, observe how a specialized chiropractic office functions day-to-day, and assist with non-clinical tasks such as filing, organizing, preparing materials, and supporting front-desk operations. This is an unpaid internship with a flexible schedule and no minimum time commitment, and we are open to hosting interns at any time of year. To ensure patient privacy and professionalism, interns may be required to complete basic HIPAA and office confidentiality training prior to their start date. Through this experience, students will gain exposure to professional communication, patient-centered service, and the inner workings of a chiropractic practice.
	Kitay Law Offices 1258 Penn Avenue Wyomissing, PA 19610 Contact: Hope Migliaccio 484-323-1817	**Legal Support Internship** **INFO**	Are you a high school student with a passion for justice and an interest in the legal field? Kitay Law Firm invites you to explore the world of law through our immersive internship program, designed to introduce students to the full lifecycle of legal cases in criminal defense, workers' compensation, and personal injury. Interns will gain hands-on experience supporting attorneys and paralegals from initial client intake through trial preparation and courtroom proceedings. Responsibilities include assisting with case file organization, shadowing client interviews, observing legal strategy meetings, and learning how evidence is gathered, documented, and presented. Interns will also be introduced to the paralegal role, including drafting correspondence, preparing legal forms, managing deadlines, and maintaining case calendars. This program emphasizes professionalism, confidentiality, and teamwork, while reinforcing our core values: Stronger Together, 5-Star Client Experience, and Committed to Excellence.

PENN ENTERTAINMENT	**PENN Entertainment** 825 Berkshire Boulevard Wyomissing, PA 19610 Contact: Eric Schippers 484-769-4127	**Public Affairs Internship** **INFO**	Based in Wyomissing, PENN Entertainment is the largest and most innovative provider of gaming entertainment in North America. From casinos and racetracks to online gaming, sports betting, and lifestyle content. The intern will assist in monitoring and responding to critical legislative, public relations, legal, and regulatory issues affecting PENN Entertainment's interests at the local, state, and federal levels. The Intern will report to our Vice President of Public Affairs and assist in coordinating activities with numerous state-based lobbyists and public affairs teams to develop, monitor, and execute the Company's public affairs and community relations programs. This includes, but is not limited to, legislative analysis, developing campaign strategies, and preparing testimony, talking points, press releases, and presentations.
PennState Health	**Penn State Health - St. Joseph's Hospital** 2500 Bernville Road Reading, PA 19605 Contact: Janis L. Andrzjewski 610-378-2617	**High School Internship** **INFO**	The Penn State Health St. Joseph Medical Center High School Internship Program is open to incoming high school seniors from Berks County who are interested in pursuing a career in healthcare after graduation. Participants earn academic credit from their school while immersed in the day-to-day operations of a professional healthcare environment. Students can expect to: perform non-clinical hands-on tasks supporting staff, patients, and visitors; develop a wide range of personal and professional skills; observe a variety of clinical processes and procedures; build relationships while working side by side with staff who may serve as educational coaches, contacts for job seeking, and professional references for college applications. The application window for this internship begins in November of your junior year.
PennState Berks	**Penn State University - Berks Campus** 1801 Broadcasting Road Reading, PA 19610 Contact: Dr. Eric Linldsey	**Psychology Research Internship**	Dr. Eric Lindsey, a member of the Psychology Program at Penn State Berks, has research internship positions open for Berks County high school students who are interested in pursuing a career in psychology. Research interns will learn the methods and procedures for conducting research with human participants, as well as the ethical guidelines for conducting psychological research. Students can expect to review research articles on various topics in the field of psychology, write summaries of research studies published in the field, enter data collected from human participants in psychological research, conduct interviews with research participants, and write summaries of data collected from these participants.

PennState Berks	**Penn State University - Berks Campus** 1801 Broadcasting Road Reading, PA 19610 Contact: berksadmissions@psu.edu 610-396-6060	**Accounting/ Business Internship with Dual Enrollment** **INFO** **FLYER**	Penn State Berks offers a dual enrollment program that enables qualified students to begin college coursework as early as their junior year of high school. By following the recommended curriculum pathway, students can complete a full year of college credits before graduating from high school. This early start positions them to earn a bachelor's degree in just three years, with the option to complete a master's degree in Accounting ot Business (MBA) with only one additional year of study. Dual enrollment students receive 50% off per-credit tuition. Students must submit a high school transcript and complete the High School Dual Enrollment Application (see INFO left). Juniors are also required to provide a letter of recommendation from their school district to ensure they are prepared for the rigor of college-level coursework. **Students interested in either program must have an internship placement and confirm with their counselor that they will be able to have Periods (TBD) open in their schedule.**
PHILO PHYSICAL THERAPY	**Philo Physical Therapy** 1435 Penn Avenue Wyomissing, PA 19610 Contact: Nicholas Perry 610-906-3587	**Physical Therapy Internship** **INFO**	Internship Program for motivated 11th- and 12th-grade students interested in exploring a career in healthcare. This unpaid internship offers a unique opportunity to observe and assist in a clinical setting, gaining insight into the day-to-day responsibilities of physical therapists and the rehabilitation process. No prior training or experience is required to participate. The internship is flexible—students can choose the number of hours that fit their schedule and may join during the school year or over the summer. Interns will have the chance to observe patient care (with appropriate permissions), assist with non-clinical tasks, and learn more about anatomy, movement, and the role of physical therapy in improving quality of life. A background check is required prior to starting. This program serves as a great stepping stone for students interested in health science careers and seeking to gain meaningful experience early on.

	RE/MAX of Reading 1290 Broadcasting Road Wyomissing, PA 19610 Contact: Jeroen Harmsen 610-763-5179 Contact: Eric Miller 484-269-2394 Contact: Piera Moyer 610-670-2770 ext. 3228	**Real Estate Internship** **INFO**	Real Estate Interns will work alongside a licensed realtor to assist potential buyers and sellers throughout the sales process. They will work to implement creative strategies that effectively attract and convert leads. On the marketing side, interns will learn to craft engaging content that informs, entertains, and educates our audience about the real estate industry. Finally, interns assist in updating print materials, including logo and vendor sheets, to maintain a fresh and professional image.
	Riverfront Federal Credit Union 2609 Keiser Boulevard Wyomissing, PA 19610 Contact: Amber Topieniak 484-345-4020	**Accounting & Lending Internships** **INFO**	Riverfront Federal Credit Union's unpaid internship program is open to both 11th and 12th graders. Students can expect meaningful, hands-on experience within the specific department to which they are assigned, gaining exposure to real work that supports our daily operations. Depending on the department, interns may assist with accounting tasks such as reconciliations and data entry, or they may shadow frontline staff, greet members, observe account openings, and learn how exceptional service is delivered in a financial environment. Those placed in lending will learn the fundamentals of consumer lending, including how loan applications are reviewed, the factors that inform credit decisions, and how lenders work with members throughout the process. Interns may also support behind-the-scenes operational functions, such as compliance tasks, document management, or reporting projects that help keep the credit union running smoothly. These opportunities are typically available for one or both semesters with flexible scheduling.
	Sacred Heart School 701 Franklin Street West Reading, PA 19611 Contact: Joan McNeil 610-373-3316	**Teacher Aide Intern** **INFO**	Sacred Heart School has been a vibrant part of the educational community in Berks County for over 100 years. From our humble beginnings with our beloved IHM Sisters, to our current school in West Reading, we have remained on the cutting edge of Catholic education in Eastern Pennsylvania. Teacher Aide Interns will have the opportunity to work under the guidance of classroom teachers in maintaining discipline and the general atmosphere of the classroom. In addition, the planning and execution of specific subject lessons and special occasions will be available. This is an unpaid internship open to 12th-grade students during the fall and spring semesters. Clearances are required for students 18 and older.

TOWER HEALTH Advancing Health. Transforming Lives.	**Tower Health - Reading Hospital** 420 South 5th Avenue West Reading, PA 19611 Contact: Michelle Beltran Del Rio	**High School Internship - Pathways Program** **INFO**	The High School Internship Program offers students practical experience in a work environment at Reading Hospital, enhancing their academic, professional, and personal development. Students apply their knowledge and skills through hands-on activities while interacting and networking with hospital staff. Students who are eligible to apply must meet the following criteria: A Berks County student, a high school SENIOR during their participation, have no discipline and/or attendance issues, and have submitted a complete application package. The application window for this internship begins in December of your junior year.
turnUP	**TurnUP** Contact: Nancy Shapiro 207-558-2474	**Civic & Activism Remote Internship** **INFO**	The internship program's format is tailored to accommodate the ever-fluctuating commitments and responsibilities of a student's lifestyle. Our program is **fully remote, with start dates available each month, and offers a flexible timeframe and schedule.** All students have access to grow into more **capable and responsible citizens** and to develop their **professional skills** for a successful future. Students join remote teams that are energized by diverse students from around the country who work together to amplify youth civic engagement. Along with our unique curriculum, peer-to-peer learning, and **expert speakers** deepen their experience. Students can count their participation towards **community service hours,** and TurnUp is authorized to issue awards and certificates, including the ***President's Volunteer Service Award***. The internship has also been invaluable for **bolstering resumes**, widening **networking** reach, and earning **college letters of recommendation**. We would like to invite your students to apply. **The application link is here** at bit.ly/tuinternship, and the application deadline is rolling.
VINNY G's RAISED ON PIZZA.	**Vinny G's Wyomissing** 18 A State Hill Road Wyomissing, PA 19610 Contact: Santo Gianotti 610-698-6038	**Small Business/Food Service Internship** **INFO**	An internship with Vinny G's would focus on multiple levels of owning and operating a small food-based business in a family environment. This would include core fundamentals such as work ethic/responsibility, team management, professional communication, customer service, marketing, etc. It would also include the fundamentals of food service. We are willing to work with interns to support their growth in food-based skills, depending on their interests, as well as in general routines of cleanliness and adherence to state regulations regarding food handling, etc. Various times are available; Monday-Friday. 11th- and 12th-grade responsible interns are welcome for this unpaid internship. An unpaid internship could evolve into paid employment if both parties are interested upon turning 18. No prior testing/documents are required by Vinny G's for this experience.

	223 Playground Drive West Reading, PA 19611 Contact: Dave Stemler		the end of the school day, but not required.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Daniel Giesen	**Athletic Training Internship**	Daily assistance in the athletic training room with the Wyomissing Athletic Trainer during Period 11. Students may also assist the Athletic Trainer after school and during evening games/matches. This internship is available in both the fall and spring semesters and supports all athletic teams.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Mark Boyer	**Business Office Internship**	The Business Office intern will have the opportunity to learn about all aspects of the school district's operations, including budgeting, accounting, payroll, facilities, and food service. Interns will be able to speak to professionals outside of the District, such as auditors, accountants, the District's solicitors, and others. Interns will also be able to learn about presentations, how Boards work, and an office setting. There will be some opportunities to have "hands-on" work in the office.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: David Outland	**Coaching Internship**	Coaching Interns work alongside Mr. Outland to analyze tapes, organize game plans, and develop weekly SMART goals for upcoming practices and games. Interns will collect multiple data points from scouting reports, looking for tendencies and outliers across various formations and situations to apply to practice and game plans. Interns are required to work with Mr. Outland to volunteer coach at least 10 hours during the internship. This can include local youth sports and WASD sports. This internship is available in both the fall and spring semesters and supports all athletic teams.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Meghan Tierney	**Communications Internship**	The Communications Intern(s) will work directly with the Communications Coordinator to assist in sharing Wyomissing Area School District events and accomplishments through digital media. The intern(s) will be responsible for ensuring that each task is executed in an efficient and professional manner. This position allows motivated students to creatively operate in both traditional and digital media, communications, marketing, or the arts. Interns will travel between the various WASD buildings to cover events.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Alex Krick	**Drama Internship**	The Drama Intern will work directly with Mr. Krick and his students during Theatre Arts class (Period 1) to help guide and grow their theatrical experience. Interested students must possess a willingness to work with their peers. Other duties will include various drama club-related items/tasks. Drama club experience is required. This internship is open to one student per school year.

	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Danielle Faust or Sally McAvoy	**Special Education Internship**	In this internship, you will work with students who have a diverse range of learning and social strengths and needs. Activities will include, but are not limited to, supporting students while cooking, supporting students while completing various job tasks around the building, learning the verbal-behavior curriculum, working through academic areas specific to a student, and strengthening social skills. You will also be given many other opportunities to expand your educational background, such as accompanying us on field trips to community sites to help our students generalize their social and functional skills. Overall, you will gain experience working with students with many different skill sets and become a more compassionate and adaptable leader.
	Wyomissing ASD - Field Hockey 630 Evans Avenue Wyomissing, PA 19610 Contact: Candace Hall 484-219-2926	**Sports Management Internship** **INFO**	The Sports Management: Team Operations Internship immerses students in the essential behind-the-scenes functions that allow a sports program to run successfully. Interns gain hands-on experience across team operations, equipment management, event coordination, game-day logistics, media support, video and data analysis, and youth program communications. Although the internship centers on field hockey, the professional, operational, and leadership skills developed are fully transferable to other sports and career fields. The internship follows a January–December cycle, giving students experience in both the competitive season and the off-season. Interns will support the program during winter planning, spring and summer off-season sessions, the full fall season, and post-season archiving and equipment reset. Each intern will create a year-end portfolio documenting their learning, artifacts, and accomplishments, culminating in a presentation.
	Wyomissing ASD 630 Evans Avenue Wyomissing, PA 19610 Contact: Nate Patton	**Technical Theater Internship**	Interns will assist Mr. Patton in scheduling and management of all auditorium events. Interns will design, set up, and operate sound/lighting equipment for all events, including Theatre Arts classes as well as monitor FMX for event reservations. A desire to learn and operate theatrical sound and lighting equipment is a must. Due to the nature of the internship, hours outside of the school day are required. This opportunity is available 2-3 days per cycle and can be completed on a semester-long or full-year schedule.
