[Try Build A Snowman here](#)

This one takes some teacher prep!
Eric Curts has created an amazing resource of great activities for your students to explore.

Try this Polar Express HyperDoc to go along with the book and the movie!

Share this entire text set with your students (view only) and let them explore, create, and learn with some favorite Winter games and sites.

Explore, Create, Learn!	
	Explore Santa's Village
	Magic Pen Game A physics challenge game for all ages, but watch out, it's addicting!

Tk-2 Teachers- try this HyperDoc with your students. Feel free to make a copy and edit to fit your students' needs.

One Little Word HyperDoc is a lesson for all ages! This clever version of the New Year's Resolution can be done now or after the Winter break!

MAKE your WORD visible

Gratitude

1. Once you have selected a word, you will create a graphic using Canva.

2. Select a slide. Add your word and poster to the slide.

3. Explain why you chose that word!
