

UHN Opportunities for Students – STEM Programming

At UHN STEM Pathways we provide a variety of free events and offerings for youth. Programming can occur both in-person and virtually. To encourage youth to participate and expand their STEM knowledge, we also provide Certificates of Participation.

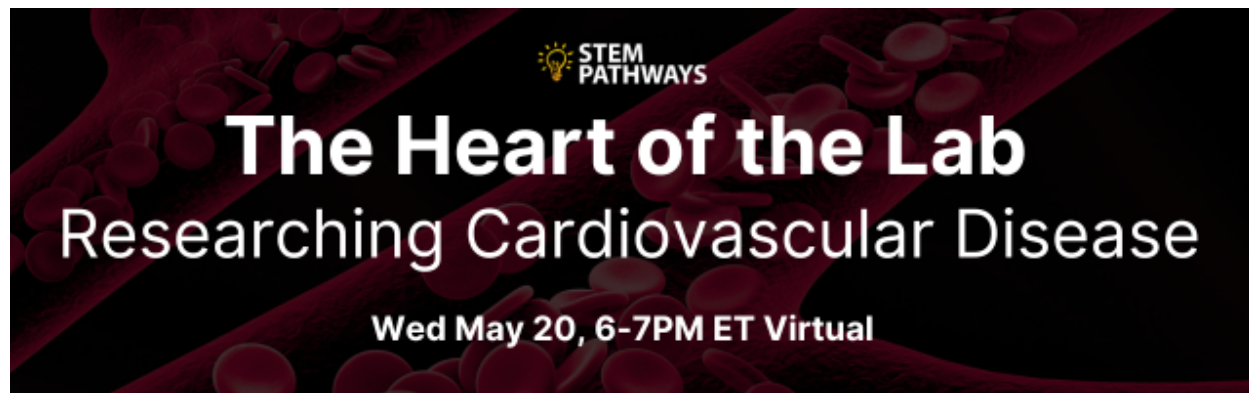

All youth who attend **7 UHN STEM Pathways Events** between September 2025 and June 2026 will get a **Certificate of Participation** signed by senior UHN leadership. If youth are from TDSB, TCDSB, PDSB, WCDSB they will also receive a **Health and Wellness SHSM** certificate (Medical Terminology or Lab Practices). If youth are from a different school board, please contact us to arrange SHSM Certificates with the appropriate teacher.

Learn more here: <https://uhnstempathways.ca/certificate-of-participation-program>

Also, check out our full program listing at <https://uhnstempathways.ca>. Contact stempathways@uhn.ca with any questions.

Students can also join our monthly mailing list here:

The Heart of the Lab – Research Cardiovascular Disease

Wednesday, May 20, 2026 | 6:00-7:00 PM ET | Virtual

Audience: Grade 7-12 and Undergrad/College students

Description: In this session, youth will learn about the cardiovascular system and how changes to it can affect heart health. Mandy (Kunze) Guo, a graduate student at the University Health Network, will talk about her research into atherosclerosis, a cardiovascular disease, and give students a live tour of her research space. Students will get to see common lab equipment, learn about research protocols and hear about current clinical research discoveries.

STEM Talks – Brain Injury

STEM TALKS

BRAIN INJURY AWARENESS

Tue Jun 2, 6-7PM ET
Virtual

Tuesday, June 2, 2026 | 6:00-7:00 PM ET | Virtual

Audience: Grade 7-12 and Undergrad/College students

Description: In this session you will hear from professionals who work on ways to support individuals with brain injuries. Learn all about their career journeys, what they do at UHN and helpful advice they have to offer. We will be having a Q&A period at the end of the session.
