#### From Fridays for Future, Most Affected Places and Areas

Hi! We'd like to ask for your help to amplify our voices from MAPA (most affected people and areas or global south) hehe

if you could post this on Insta or twitter with this link:

<https://news.trust.org/item/20200917201445-4iew6>

and a quote from the article or "They are unheard, not voiceless. Fighting for their present, not just their future. We will not be prisoners of injustice." #FightClimateInjustice

It can really help amplify our voices! Thank you soooo much! Also if you guys can post pictures of yourselves doing this gesture and do them during your strikes too! ([Fridaysforfuture.org/September25](https://fridaysforfuture.org/September25) for more information)

It would be great if you could tag us too!
