

PRIVACY POLICY FOR CraftBrand

Last updated: August 12, 2026

1. Overview

CraftBrand ("we", "our", or "us") respects your privacy. This Privacy Policy explains how we collect, use, and protect your information when using our mobile application.

2. Information We Collect

- Account Information: User-provided name, email, or credentials for login.
- Store & Product Data: Information about your store and products entered into the app to generate marketing content.
- Usage Data: Information on how you interact with the app to improve AI content generation quality.

3. How We Use Information

- To provide and maintain app features (AI content generation, banner design).
- To personalize marketing content for your business.
- To improve app performance and user experience.

4. Data Security & Sharing

- We do not sell, rent, or trade your personal data to third parties.
- Data is securely transmitted and processed only for the functionality of the app.

5. Contact Us
