

TERMS OF SERVICE

GENERAL INFORMATION

- I reserve the right of cancelling the commission if you're still on the waiting list.
- Colours might not be 100% accurate, since I use an overlay layer at the end to give the finished piece a little touch up. I try to stay as close to the original colours as possible!
- By commissioning me you automatically accept my Terms of Service so please read them carefully before deciding on whether or not you want to commission me.
- Please don't ask daily how far I am with your commission. I'm still a human being and have other things to do/in mind. That doesn't mean you can't ask at all, just make sure you don't ask too often. I also post enough work in progress pictures on my Instagram stories.

COPYRIGHT & USAGE

- Since I am the artist I automatically have all the copyright to the **produced image**.
- You are allowed to post the drawing on other social medias/use it as a profile pic but make sure to credit me properly!
- You can print the artwork, make acrylic charms with it etc. **but only if it's for personal use**.
- You're **not** allowed to: trace my work, remove my watermark, edit the drawing, take credit for drawing.

CHANGES

- When I send you the sketch for approval you may ask for bigger changes 3 times, smaller changes are always okay.
- When the drawing is done you may ask for small changes 3 times, more than that will cost extra.

PAYMENT & REFUNDS

- Since I'm doing split payment there are no refunds at all. Please keep that in mind so there won't be any inconveniences on my side in case you file a chargeback on me. However if there's an emergency we can try to discuss it, but **only if I'm still at the lineart stage of your commission**. Anything after that is totally not refundable.
