

## **Privacy Policy**

This privacy policy applies to the personal data that Melinda Sarah club (“we”, “us” or “our”) processes in relation to your interaction with our product Mega Banker Rush (“App” or “Service”). This privacy policy sets forth our policy with respect to the collection, use and disclosure of data that is collected from you by us.

By using the App, you agree to the data collection, use, disclosure and storage practices described in This privacy policy.

Please read our Privacy Policy thoroughly, as we want you to understand how we collect, use, and share your data. By using the Services, you acknowledge your acceptance of the practices and policies described below, and you hereby consent that we will collect, use, and share your data in the following ways.

### **□ Changes**

We may from time to time update this policy to ensure that it is consistent with our business needs or to accommodate amendments to applicable legal or regulatory requirements. All updates to this policy will be published online at this page. You shall be deemed to have accepted the policy as amended by continuing your relationship with us after any amendments have been published on the App.

### **□ Children**

We do not knowingly collect personal data from children under the age of 13. For certain activities in which children are allowed to participate, any request for personal data is intended for and directed to the parent or legal guardian. If you have reason to believe that a child under the age of 13 has provided personal data to us without parental consent, please contact us using any of the methods described in the “Contact Us” section to request that we delete the personal data.

## □ **Collection of Personal Data**

In order to provide you with all functions and services, we may collect the following data from you:

(a) email address;(b) the type, version, brand, and language of handset device; (c) mobile operating system; (d) the type and operator of network; (e) device identifiers(such as IDFA, IDFV, GAID); (f) the time you access this App and the duration of your visit; (g) behavioral usage of the App.

All the above data are obtained by you actively providing it to us when using the App, or by us actively collecting it when providing services to you, or by third-party partners sharing it with us.

## □ **Use of Personal Data**

We use your data collected through the App, both individually and combined together, for purposes described in this Policy or disclosed to you in connection with the App. For example, we may use your data to:

Allow you to use the App;

Identify and suggest connections with you;

Operate, develop and improve the App;

Personalizing advertising for you;

Understand you and your preferences to enhance and personalize your experiences and enjoyment using the App;

Identify, fix and troubleshoot bugs and Service or functionality errors;

Optimize or improve the App, services and operations;

Protect the integrity of the Services and enforce our Terms of Service and other applicable terms, including to detect and prevent fraud and unauthorized activities, to secure our systems and the Services, to prevent hacking, cheats and spamming and generally to keep the App safe and fair and to detect, investigate, and prevent activities that may violate our policies or be illegal; and

Detect security incidents, protect against malicious, deceptive, fraudulent or illegal activity, and prosecute those responsible for that activity.

## □ **Links to Third-Party Services**

This Privacy Policy only applies to data collected through the App and does not apply to the processing of personal data for which we are not the data controller, such as third-party links, third-party content and/or service providers. Such third parties are responsible for ensuring that any processing of personal data by them in providing services to you complies with applicable data protection laws. If such third parties collect any personal data, we will require them to comply with applicable data protection laws when processing personal data within the App. However, we recommend that you carefully read the privacy policies of such third parties.

## □ **Sharing data**

We may transfer personal data to third parties for the purpose of providing the Services. We may disclose personal data to our appropriate affiliates, including third-party service providers, to provide you with the Services. These third-party service providers are not authorized to retain, share, store or use the personal data for any purposes other than to provide the services they have been hired to provide. The service providers we may share your data with include:

- A. Marketing and attribution partners: our marketing service providers help us with campaign support, attribution and analytics to help us identify and attribute user referrals between media.
- B. Analytics providers: these service providers help generate statistics about the App usage, App play and other data that helps us provide the best services to our customers.

## □ **Security of Personal Data**

We implement a variety of security measures to maintain the safety of your personal data. We offer the use of a secure server. All supplied sensitive/credit data is transmitted via Secure Socket Layer (SSL) technology. We cannot, however, ensure or warrant the absolute security of any data you transmit to us or guarantee that your data on the Service may not be accessed, disclosed, altered, or destroyed by a breach of any of our physical, technical, or managerial safeguards.

## □ **Retention of Personal Data**

We'll retain your Personal Data for only as long as we need in order to provide the App to you, or for other legitimate business purposes such as resolving disputes, safety and security reasons, or complying with our legal obligations. How long we retain Personal Data will depend on a number of factors, such as:

Our purpose for processing the data (such as whether we need to retain the data to provide the App);

The amount, nature, and sensitivity of the data;

The potential risk of harm from unauthorized use or disclosure;

Any legal requirements that we are subject to.

## □ **Your Rights**

You can request to access, obtain a portable copy of, correct, or delete data related to your stored preferences and your use of the App. Please note that we may take steps to verify your identity to enable us to respond to your request.

As permitted by law or to provide the App, we do not delete data and we use to:

Respond to customer support inquiries;

Detect and prevent security incidents, identify, and repair errors that impair

functionality of the App (e.g., log files, error diagnostics); and  
Comply with legal obligations.

## □ **Contact Us**

If you have any questions or concerns about privacy procedures respecting our App, or to find out further details about how your personal data may be used, write to us at: [hauntwjau@gmail.com].
