

DEPARTMENT OF BIOLOGY SCHOLARSHIP APPLICATION FORM 2025-26

For Fall 2025 Opportunities, Application Materials Due November 7, 2025

The application requires:

1. This application form, with information provided in the spaces below.
2. An unofficial (Banner) transcript of all course work.
3. An additional one-page document. For scholarships, provide a statement of career goals and interests; for a research award, provide a one-page description of the proposed research project and include the estimated budget for the project.
4. One letter of recommendation.

Send your application materials as an email attachment and arrange to have your letter of recommendation sent to: Undergraduate Research and Awards Committee, c/o Tammy Lewis at biology@miamioh.edu, Department of Biology, Miami University. All application materials must be received by November 7, 2025
