

## Privacy Policy

*Last updated: 18 July 2025*

The mobile application **Jump! Ultimate Majestic Pixel**, available on the Google Play Store, respects the privacy of its users.

### 1. No personal data collection

This application **does not collect, store, or transmit any personal data**. No information such as your name, email address, location, device ID, or usage behavior is recorded or used in any way.

### 2. Offline use

The game works entirely **offline**, without any need for an internet connection, and **does not interact with any external servers** during use.

### 3. Children and minors

The game is suitable for all audiences, including children under the age of 13. Since no data is collected, **no personal information from children or adults is processed**.

### 4. Data sharing

No data is shared with any third parties. The application contains **no advertising, tracking, or third-party analytics**.

### 5. Changes to this policy

This privacy policy may be updated if the behavior of the application changes. In that case, a new version will be published at this same address.
