

BAME Vision Disability Pride Webinar – A Vision Through Creativity

BAME Vision are pleased to be hosting a webinar for Disability Pride Month.

This takes place in July, and is an awareness month celebrating the achievements and resilience of the disabled community.

At the webinar, A Vision Through Creativity, we will hear from talented, determined and inspirational people living with a vision impairment from ethnically diverse communities.

We have an exciting lineup of speakers on our panel, who will discuss their skills and passions, how they came to be where they are now, the adaptations or services they accessed in order for them to succeed in their chosen career or hobby. Our panellists all have experience in the creative arts field including art, music, spoken word poetry and other creative forms of expression.

The speakers are:

- Dr. Beverley Duguid – Author, writer, poet, historian, teacher, mindfulness coach.
- Baluji Shrivastav OBE - Musician, traditional Indian artist and composer, who plays a variety of instruments.
- Ruqaiya Asim – A blind artist who makes adaptive and accessible art forms whilst incorporating a story through her creativity in painting and pottery.
