

# Madoka Magica:

## Wishes almost made by a character but were stopped in some way:

Madoka Kaname:

- Save a cat who had just died in front of her in the first timeline (stopped by a timeline reset)
- Either save Homura from Walpurgisnacht or obtain the power to defeat Walpurgisnacht in the fourth timeline (stopped by a timeline reset)
- Planned to wish to be able to rescue Sayaka while on a witch hunt (stopped by Homura)

## Wishes made by character:

- "I want to erase all witches before they are even born. I will erase every single witch in every universe, past and future with my own hands...I don't care what you call it. All those magical girls who held onto their hopes and fought against witches I don't want to see them cry. I want them to stay smiling until the end. If any rule or law stands in my way I will destroy it. I will rewrite it. That is my prayer. That is my wish. Now grant it, Incubator!" -Madoka Kaname
- "I want to redo my first encounter with Kaname-san. But this time, instead of her protecting me, I want to become strong enough to protect her!" -Homura Akemi
- "Those are my feelings towards Madoka! That's why, once more, lend me power! Not as the shield that protects Madoka but as the power that smites anyone who threatens her!" -Homura Akemi (Wraith Arc)
- Sayaka Miki wished To heal the arm of Kyosuke Kamijo (exact wording unknown)
- Mami Tomoe wished [To connect to life](#) / save herself the exact wording is unknown though most think she wished to not die alone
