

Headline: Quick question for bizName

Text:

Hey (bizName), I saw you're running a lot of Invisalign ads on Facebook, wanted to ask - are you looking to double your conversion and booking rate of your ads?

You wouldn't have to pay me anything until I deliver the results you wanted, so it's a win-win.

I have also recorded a quick video to introduce myself and explain a bit more. Let me know if it sounds interesting.

Best regards,
Engin

Hey (name), my name's Engin. So I am recording this video for 2 reasons. The 1st one is instead of me typing you and messaging you I've decided to record myself and make it more personal. And the 2nd reason is that I have an awesome opportunity you cannot say no to. You are currently running Invisalign ads on Facebook and what I can guarantee you is that I can double your current booking rate of your ads. You wouldn't have to spend extra money on me because It'll be a 1 month FREE trial so you have nothing to lose, it's literally only upside. So if you're open to new ways of getting new ways of getting more appointments let's get a quick 10 to 15 minute Zoom call booked in in which I will answer all of the questions

You have absolutely nothing to lose and I cannot wait to talk with you more about it. So name let's get a quick zoom call booked in, I am free monday-friday 12 pm to 2pm your time. It'll be awesome and I can't wait to talk with you name, so thank you for watching and have an amazing day

Hey bizName, my name's Engin and thank you for clicking on the video. So I'm sending this video for 2 main reasons. The 1st one is instead of me typing you about how I can help you book more appointments and make more money I decided to record a quick video. The 2nd reason is to explain a bit more of what I offer. So what I am going to do is run the entire thing from start to finish. From setting the campaigns to writing the ads, handling the appointments and then sending them straight to you. And also I'm doing this on a pay-on-results basis and for the first month I will make it a free trial, even if you book appointments and make money out of the ads, you don't pay me anything for the first month. So what I am offering right now is literally only upside for you, zero downside. And if it sounds interesting what we can do is schedule a quick 10-15 minute zoom call in which I will answer any questions you may have. So just send me a message and I'll take care of it. Or you can do it yourself, there's a big red button just click it and you can book a meeting with me. I am free Mon-Friday from 12 to 2 pm your time. So yeah, thank you for watching and have an amazing day.
