2.2. **Rights Granted.** Subject to the provisions contained in this Agreement, including without limitation the restrictions set forth below and timely payment of the applicable fees, for the duration of the applicable Order Term, Sovos hereby grants you the non-exclusive, non-assignable, non-transferable, limited right to Access and use the Software solely in providing business process outsourcing services on behalf of Customer’s Clients, as defined herein. Customer shall defend, indemnify and hold Sovos harmless against any and all third party claims of liability (including but not limited to claims from Customer’s Clients) arising from Customer’s use of the Software for the purpose of processing data for Customer’s Clients or from such party’s receipt of Software output, including, but not limited to, e-invoicing processing and storage, forms and/or filing, or tax calculations. This section does not affect any of the other rights and remedies of the parties contained anywhere else herein. Customer shall ensure that it has an enforceable agreement with Customer’s Clients aligned and consistent with this Agreement, including but not limited to the applicable Order Form and Data Sheets, before using Software on behalf of Customer’s Clients. In the event Customer’s Client requires direct access to the Sovos Software or Services, the parties shall explicitly agree to such in the Order or otherwise in a mutually executed amendment hereto. In such event, Customer shall ensure each such Customer Client is bound by the terms and conditions of the EUSLA as defined herein.

2.4. **Affiliates.** You may authorize Access and use of the Software by an Affiliate, provided (i) such Affiliate is listed and identified in the Order Form (“**Authorized Affiliate**”) and (ii) the combined use of the Software hereunder by you and your Authorized Affiliates shall in no event exceed the Metrics authorized under the applicable Order.

2.5. **Support Services.** Sovos will provide maintenance and support for the Software in accordance with then current [Sovos Maintenance and Support Policy](#), and the [Support Services Data Sheet](#), which shall be deemed as known by you and part of this Agreement. Such maintenance and support shall only be provided directly to

3. FEES, TAXES & PAYMENTS

3.1. **General.** Fees and payment terms are specified in the applicable Order. Except as otherwise expressly specified in the Order or SOW, all recurring payment obligations start from the execution of the Order or SOW and amounts paid or payable for Software are not contingent upon the performance of any Services performed pursuant to an SOW. Unless otherwise specified in the Order or SOW, payment of all fees is due 30 days after the invoice date. Interest accrues on undisputed past due balances at the lesser of 1½% per month or the highest rate allowed by law. You shall reimburse Sovos for any expenses incurred, including interest and reasonable attorney fees, in collecting amounts due to Sovos under this Agreement.

3.2. **Taxes.** You shall be responsible for payment of all taxes (excluding those on Sovos' net income) relating to the provision of the Software and/or Services, except to the extent a valid tax exemption certificate or other written documentation acceptable to Sovos to evidence your tax exemption status is provided by you to Sovos prior to the delivery of Software and/or Services. All fees are exclusive of turnover tax (VAT) and other government levies that have been or are later imposed.

3.3. **Metrics.** You understand that your right to use the Software and/or Services is limited by the Metrics set forth in an Order. All fees are based on the Metrics purchased and the quantities of Metrics provided in the Order represent maximum amounts that you have committed to for the Term. There shall be no fee adjustments or refunds for any decreases in usage or Metrics during the Term. Unless the Order includes an overage rate, you will pay additional fees for any Metrics over the amount set forth in the Order at Sovos' then current rates.

3.4 Affiliate Commissions and Payment Timing.

Affiliate commissions, bonuses, challenge payments, or other partner payouts are subject to Sovos review, approval, and internal payment processing requirements. Approval of a commission, submission, challenge, or invoice within PartnerStack or any other partner platform does not guarantee immediate payment.

Approved payouts may require additional internal processing, including but not limited to invoice review, purchase order creation or validation, Accounts Payable processing, billing cycle alignment, tax documentation review, or other operational requirements. As a result, payout timing may vary and may extend beyond the estimated or standard payout date displayed in PartnerStack or otherwise communicated by Sovos.

Sovos will make commercially reasonable efforts to process approved partner payouts in a timely manner. Payment delays caused by internal billing workflows, platform processing requirements, manual invoice handling, incomplete partner information, tax documentation issues, banking delays, holidays, or other administrative requirements shall not constitute a breach of this Agreement, provided the approved payout remains in process.

Partners are responsible for ensuring that all required payment, tax, banking, and account information is complete, accurate, and current in PartnerStack or any other designated system. Sovos is not responsible for payment delays caused by incomplete, inaccurate, or outdated partner information.

4. OWNERSHIP; INTELLECTUAL PROPERTY

4.1. **Ownership and Proprietary Rights.** You own and shall own all rights to your data provided to or accessed by Sovos, including your data as processed or manipulated by Sovos in connection with the Software and/or Services. Except for the rights granted to you in this Agreement, you will have no interest in the Software. All rights, title and interest in or to any copyright, trademark, service mark, trade secret, and other proprietary right relating to the Sovos Data, Software and/or Services and the related logos, product names, etc. are reserved and all rights not expressly granted are reserved by Sovos. You may not obscure, alter or remove any copyright, trademark, service mark or proprietary rights notices on any Software.

4.2. **Aggregated Data.** Sovos shall have a perpetual, irrevocable, worldwide right to use any de-identified and aggregated data that arises from use of the Software and/or Services by you, provided such data (i) is not identifiable to any person or entity and (ii) does not contain any of your Confidential Information.

4.3. **Intellectual Property Indemnity.** Subject to the remainder of this Section 4.3, Sovos shall at its expense, defend you in any suit or cause of action alleging that the Software as used in accordance with this Agreement infringes any copyright or patent of any third party and indemnify you for any damages awarded in any final judgment or settlement (including attorneys' reasonable fees and court costs to the extent that Sovos fails to promptly assume such defense) of such suit or cause of action. The foregoing obligations of Sovos are subject to the following requirements: you shall promptly notify Sovos of any and all such suits and causes of action but Sovos shall only be relieved of its indemnification obligations to the extent Sovos is actually prejudiced by your failure to promptly notify; and Sovos controls any negotiations or defense of such suits and causes of action and you provide reasonable assistance as requested by Sovos. If the Software is held or believed to infringe on copyright, or patent of a third party, Sovos may, in its sole discretion, (a) modify the Software to be non-infringing, (b) obtain for you a license to continue using the Software, or (c) if neither (a) nor (b) are practical in Sovos' sole judgment, terminate the affected license and return to

you the unused portion of any license fees paid for the affected Software. The foregoing obligations of Sovos do not apply to the extent that the allegedly infringing Software or portions or components thereof or modifications thereto result from (i) any change in the Software made by you or any third party for you, except applying approved patches and/or updates, (ii) your use of the Software except as permitted under this Agreement or in combination with any hardware, software or other materials not expressly authorized by Sovos where absent such combination the Software would be non-infringing, (iii) Your use of other than the most current release of the Software that results in a claim or action for infringement that could have been avoided by use of the current release, provided that Sovos has supplied you with the most current release.

5. CONFIDENTIALITY

This Section 5 shall supersede all previous Nondisclosure/Confidentiality Agreements that may exist between the parties with respect to the subject matter of this Agreement. **"Confidential Information"** means any non-public financial, business and other information, in whatever form or medium, that is furnished, including technical data, software, source code, object code, specifications, pricing, know-how or business information specific to you or Sovos, which is marked as confidential or contains a similar legend or which, given the nature of the information and circumstances of disclosure, would reasonably be considered confidential. Confidential Information does not include information which (a) was in the public domain at the time it was disclosed or becomes in the public domain through no fault of the receiver; (b) can be shown by written documentation to have been known to the receiver, without restriction, at the time of disclosure; (c) was independently developed by the receiver without any use of the discloser's Confidential Information; or (d) becomes known to the receiver, without restriction, from a source other than the discloser without breach of any confidentiality agreement and otherwise not in violation of the discloser's rights. Notwithstanding anything to the contrary herein, the Software shall not be deemed to have been placed in the public domain by Sovos for purposes of this Section 5. The receiver shall use the Confidential Information solely for the purpose of this Agreement and shall treat as confidential and shall not use, disclose or otherwise make available any Confidential Information to any person other than employees, consultants, agents, or contractors of the receiver or its Affiliates who have a specific need to know and are bound by terms of non-disclosure no less restrictive than this Agreement. This Section 5 will not prohibit disclosure of Confidential Information pursuant to the order or requirement of a court, administrative agency, or other governmental body; provided, the receiver will furnish prompt notice thereof to enable the discloser to seek a protective order or otherwise prevent such disclosure and will only disclose Confidential Information to the extent required by such order. The obligations of this Section 5 will survive termination for any reason for a period of five years. The parties agree that each party shall be entitled to seek and request the applicable injunctive relief, whether preliminary or not, or any other action or remedy to protect its interests under this Section 5, as well as money damages. Nothing stated herein shall be construed to limit any other remedies available to the parties for breach of this Section 5.

6. SECURITY

6.1. Sovos' Responsibility. Unless specified in an Order Form, Sovos will comply with its then-current and published [Sovos Security Schedule](#). To the extent not specifically addressed by the Security Schedule, Sovos will maintain safeguards and take commercially reasonable technical, physical and organizational precautions to ensure that your data is protected from unauthorized access and disclosure.

You will comply with the user authentication requirements for use of the Software. You will only permit authorized users to Access and use the Software. You are solely responsible for monitoring its authorized users' Access to and use of the Software. Any material failure by any authorized user to comply with the Agreement shall be deemed to be a material breach by you. You must take all necessary steps, including providing prompt notice to Sovos, to effect the termination of an access ID for any authorized user if there is any compromise in the security of that access ID or if unauthorized use is suspected or has occurred.

7. SERVICES

Sovos will perform the Services for you either (i) identified in an Order, or (ii) for certain Services, described in one or more work orders or statements of work (collectively **"SOW"**) as the parties may agree to in writing from time to time. 10. LIMITATION OF LIABILITY

10.1. Limit on Monetary Damages. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, SOVOS' TOTAL LIABILITY FOR ANY AND ALL DAMAGES IN CONNECTION WITH THIS AGREEMENT AND ANY ORDER MADE HEREUNDER, AND ALL SOVOS SOFTWARE AND/OR THE SERVICES, REGARDLESS OF THE FORM OF ACTION, SHALL NOT EXCEED THE RECURRING FEES PAID BY YOU TO SOVOS FOR THE SPECIFIC SERVICE OR SOFTWARE FROM WHICH SUCH CLAIM ARISES WITHIN THE TWELVE (12) MONTH PERIOD PRECEDING THE CLAIM.

You agree that you have not relied on any oral or written representations made by Sovos in entering into this Agreement including, but not limited to, any representations regarding future functionality or features. The failure of either party at any time to enforce any right or remedy available to it under this Agreement with respect to any breach or failure by the other party shall not be construed to be a waiver of such right or remedy with respect to any other breach or failure by the other party. If any of the provisions of this Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of you and Sovos shall be construed and enforced accordingly. Sovos may designate any of its Affiliates, an agent or subcontractor to perform such tasks and functions to complete any services covered under this Agreement. However, nothing in the preceding sentence shall relieve Sovos from responsibility for performance of its duties under the terms of this Agreement, provided that Sovos will be responsible for any act or omission of such Affiliate, agent or subcontractor, which, if taken by Sovos, would constitute a breach or violation of this Agreement. Any party hereto will be excused from performance under this Agreement (except for any obligations to make payment to the other party) for any period of time that the party is prevented from performing its obligations hereunder for any cause beyond the party's reasonable control, including but not limited to, an act of God, war, utility or telecommunication failures ("Force Majeure Event"). Both parties will use reasonable efforts to mitigate the effect of a Force Majeure Event. Sovos may assign the Agreement to an affiliate, a successor in connection with a merger, acquisition or consolidation, or to the purchaser in connection with the sale of all or substantially all of its assets. You may not assign the Agreement, nor any of the rights or obligations under the Agreement, without the prior written consent of Sovos, such consent not to be unreasonably withheld. This Agreement does not confer any rights or remedies upon any person or entity other than Sovos and you and each party's respective successors and permitted assigns. The parties hereto expressly understand and agree that each party is an independent contractor in the performance of each and every part of the Agreement, is solely responsible for all of its employees and agents and its labor and social security costs and expenses arising in connection therewith. The Governing Laws, without reference to conflict of law rules, govern this Agreement and any dispute of any sort that might arise between you and Sovos, and shall be litigated exclusively at the Governing Courts/ Venues, and unless otherwise stated, are without recourse to arbitration. Applicability of the United National Convention on Contracts for the Sale of Goods is excluded.

12.2. Notices. All notices, requests, consents, claims, demands, waivers, and other communications under this Agreement (each, a "**Notice**") shall be delivered as follows:

(a) **To you:** Sovos may provide any notice to you under this Agreement: (i) posting a notice on the Sovos Site; or sending a message to the email address then associated with your account. Notices we provide by posting on the Sovos Site will be effective upon posting and notices we provide by email will be effective when we send the email. It is your responsibility to keep your email address current. You will be deemed to have received any email sent to the email address then associated with your account when we send the email, whether or not you have actually received the email.

(b) **To us:** You shall deliver all Notices in writing and addressed to the Sovos Contracting Party at the address listed for the applicable Sovos Contracting Party in Exhibit 1 of the Partner Agreement. You shall deliver all Notices by personal delivery, nationally recognized overnight courier (with all fees prepaid), or certified or registered mail. 12.4. Order of Precedence. To the extent of any conflicting terms and conditions, the order of precedence shall be as follows: (i) this Agreement, (ii) a Data Sheet, (iii) an Order Form or Order, and (iv) an SOW, except where the Order Form, Order or SOW expressly states the intent to supersede a specific portion of the Agreement.

12.5 Partner Communications and Escalation Path.

Partner agrees that all communications related to the Sovos partner program, including but not limited to commission inquiries, payout timing, program requirements, content submissions, challenge approvals, account status, or program participation, must be directed through the designated Sovos partner program contact, PartnerStack messaging, or another communication channel expressly identified by Sovos.

Partner shall not contact Sovos executives, employees, departments, customers, vendors, affiliates, or other personnel outside the designated partner program communication channels regarding partner program matters unless expressly authorized in writing by Sovos. This includes, but is not limited to, outreach regarding payout timing, commission disputes, program participation, or dissatisfaction with program administration.

Sovos reserves the right to restrict communications, suspend participation, withhold approval of future submissions, or remove Partner from the partner program if Partner bypasses designated communication channels, engages in inappropriate escalation, sends repeated or disruptive communications, makes personal attacks against Sovos personnel, or otherwise acts in a manner that Sovos determines, in its sole discretion, is unprofessional, disruptive, harassing, or harmful to Sovos, its employees, its affiliates, or the partner program.
