

Visual and Performing Arts Research Structure Options

[GAHS Library Commons Research Website](#)

This site is combination of our subscription research resources, purchases, and Maine State Library resources. It is one stop shopping for research. *I get monthly research reports that provide key data about the research resources being used and student ability to retrieve information. Please direct students here.*

[Maine Digital Library formerly known as Marvel](#)

This is the complete collection for children through adult at the Maine State Library. If you find something helpful or useful that you would like me to add into our school website, please let me know. The audience can be changed to Teen and High School Students.

New Research Resources Fall 2018 at GAHS Library Commons Research Website

[Gale Virtual Reference Library -](#)

General ebook encyclopedia titles have been merged from Maine State Library with our collection. This is the first time that the Maine State Library has offered titles in the GVRL collection.

[Digital Maine Library New Titles](#)

Of special interest the American Eras series, Encyclopedia of Islam and Muslim World, Updated 2017 Encyclopedia Worldmark of Cultures and Daily Life,

Gale Student Resources in Context and Research in Context

Student Resources in Context provides support for papers, projects, and presentations that reinforce development of academic skills like critical thinking and problem solving, communication, collaboration, creativity and innovation. Offers a selection of overviews, primary sources, videos and images.

Research in Context is designed for middle school students. Created specifically for middle school students, this resource combines reference content with age-appropriate videos, newspapers, magazines, and primary sources. It includes more than 1.6 million articles.

Gale Opposing Viewpoints in Context

(GAHS Library Commons had this as a subscription. It is now paid for by the Maine State Library.)

Opposing Viewpoints in Context provides contextual information and opinions on hundreds of today's hottest social issues. It features continuously updated viewpoints, topic overviews, full-text magazines, academic journals, news, primary source documents, statistics, images, videos, audio and links to vetted websites.

Gale Academic One File and General One File

Academic One File has extensive peer-reviewed, full-text articles from the world's leading journals and reference sources. Covering all academic disciplines, it has millions of articles available in both PDF or HTML format.

General One File is a one-stop source for news and magazine articles on a wide range of topics: business, computers, current events, economics, education, environmental issues, health care, hobbies, humanities, law, literature and art, politics, science, social science, sports, technology, and many general interest topics.

World Book Online (This replaces Encyclopedia Britannica)

World Book Student connects students with a variety of multimedia and articles, while providing tools to teachers to support an inquiry-driven or flipped classroom curriculum.

World Book Advanced is for advanced secondary and college students, this is a reference tool that includes full encyclopedic and multimedia databases supplemented with online books, primary sources, website links and more.

World Book Discover is aimed at learners reading below year level (as well as adult literacy, reluctant readers or ESL), World Book Discover engages with easy-to-understand content, interactive multimedia and text-to-speech. Includes activities aimed at teaching life skills.

World Book Timelines exist in a variety of subjects or create custom timelines using articles from the World Book encyclopedia to visualize the cause and effect relationship between selected events.

Gale Infotrac Newstand A full-text newspaper resource searchable by title, headline, date, author, newspaper section, or other fields. Access to more than 2,300 major U.S. regional, national, and local newspapers, as well as leading titles from around the world. It also includes thousands of images, radio and TV broadcasts and transcripts.

JSTOR partners with publishers, libraries and labs to provide academic research for researchers, teachers and students.

JSTOR Labs provide in-depth immersion experiences in topics ranging from Shakespeare to the Constitution.

Books and Authors lively reviews and recommendations make book selection fun. This is a great supplement to NoveList Plus.

MyHeritage Library Edition contains internationally diverse genealogy databases. Access to billions of historical documents, millions of historical photos and resources that span the past five centuries. Remote access from home is allowed and it is and a mobile-friendly
