

# The Richard E. Hoffman Scholarship Application

Directions: As you know the Centre camp has always prided itself on a camp “where passion meets performance”. Please use the space below to handwrite a personal response as to why you are applying for this scholarship and why you feel this camp will help your passion meet your performance.

Name: Amelia Watkins

As the youngest child of my 3 other siblings, I know what it is like to have to compete for things. Also, since 2 of the 3 brothers are in college, my family likes to save money where we can. That is why I am applying for this scholarship. Growing up, I have acquired a passion for soccer thanks to my brothers. They have always pushed me to succeed and be eager to grow in soccer. I love soccer, and since I have played since I was 6. I want to be as good as I can be while playing. This camp will help make me better, which will increase my love for the game. It is important to be passionate for something you love, and that is why I am so passionate about soccer. It has always pushed me to better myself. The more you better yourself, the more potential you find, which thus makes you love it more. I attended this camp last year and it helped me greatly improve and helped me prepare for the upcoming high school season. I loved soccer camp last year and it was the highlight of my whole summer. I would love to earn this scholarship so I can attend my favorite camp and increase my performance, which thus increases my passion.

Thank You,

Amelia Watkins
