Abstract

Abstract should be typed in English no more than 300 words, consisting of: (a) Novelty; (b) Research Objectives; (c) Methodology; and (d) Results. There are no citations in the abstract and it is only written in one paragraph.

Keywords: 000; 000; 000; 000; 000

Introduction

Introduction consists of: (a) Description of the researched problem; (b) Previous research; (c) Novelty; and (d) Research objectives.

Methodology

Methodology must explain the research process is carried out from beginning to end. It is better if equipped with a research flow chart so that it is easier to understand.

Results and Discussion

Results consist of: (a) The theory used; (b) Findings; and (c) Analysis.

Conclusion

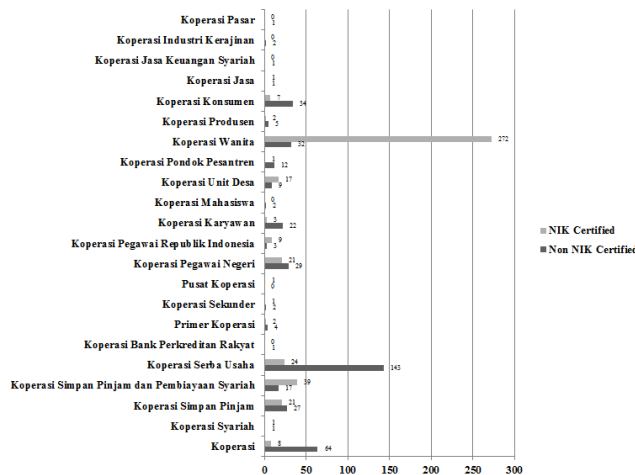

Conclusion is not a repetition of previous writing, but conclusion is the essence of the results in accordance with the research objectives based on the findings, theory, and analysis. Conclusion is only written in one paragraph.

References

Citation using footnote model. It is recommended to use Mendeley tools or others with styles “Chicago Manual of Style 17th edition (full note, with Ibid.)”.
