

Partnering for Eternal Impact

A Message to Churches from Clinica de Esperanza

1. A Ministry of Hope—Body and Soul

At **Clinica de Esperanza**, we believe healing must go deeper than medicine. Located in Santa Ana, Honduras, and reaching into underserved villages, our clinic provides **free, high-quality medical care** to children and families who would otherwise go untreated. But more than that, we are committed to sharing **the eternal hope of Jesus Christ**.

We meet physical needs through **checkups, diagnosis, treatment, and medicines—**
and **spiritual needs through the gospel**.

Our vision is simple: to love people as Jesus did—
caring for the whole person: body, soul, and spirit.

2. Where We Serve

We currently operate in three major settings:

 **Public schools** — Providing full medical checkups and spiritual care to students

 **Brick-and-mortar clinic in Santa Ana** — Serving patients of all ages year-round

 **Village clinics** — Bringing mobile medical teams into rural, often forgotten communities

Each patient receives a full range of care—including **consultation, diagnosis, medicines, and treatment**—entirely **free of charge**, thanks to generous donors and church partners.

It costs only **\$10 to fully care for one patient**.

3. What Makes Our Mission Unique

We are more than a clinic—we are a gospel-centered ministry. Every patient is seen not only as someone with physical needs, but as someone made in the image of God, loved deeply by Him.

As part of every visit, we ask patients:

“Do you have any prayer requests?”

This simple question often becomes a doorway to deeper conversations. Many people are eager to share personal burdens, fears, and spiritual questions. These prayer requests help us identify individuals who are **spiritually seeking**.

When we identify a seeker, we:

1. **Begin praying** specifically for them with the help of prayer partners
2. **Connect** them with leaders from their local church
3. Church leaders then pair them with committed Christians who will **study the Bible** with them in a relational, discovery-based format

This approach is:

- Personal and respectful
- Centered on Scripture
- Rooted in the local church
- Focused on long-term spiritual transformation

4. Ways Your Church Can Partner With Us

Financial Partnership

Every \$10 your church gives covers a **full medical care experience**—not just checkups, but also medicines and treatments.

You can give monthly, annually, or through a special offering. Your support keeps our doors open and enables compassionate, Christ-centered care to continue.

Mission Teams

Send a group on an **8- or 9-day short-term mission trip!**

We handle the logistics—**airfare, food, housing, transportation, and project costs**—for a total of **\$2,000 per participant**.

Teams are immersed in a full missionary experience, where they will:

- Serve directly with clinic staff
- Visit communities and participate in outreach
- Learn and witness our unique **discipleship model**
- Grow in their own walk with Christ while serving others

This is more than a project—it's a Kingdom encounter.

Prayer Support

Prayer is at the heart of our ministry—and one of the most powerful ways your church can join us.

A **key part of our spiritual care** begins when patients are asked:

“Do you have any prayer requests?”

This moment often opens the door to deeper reflection and helps us **identify spiritual seekers**.

Your church can support this part of the mission by:

- Adding us to your **weekly or monthly prayer calendar**
- Encouraging individuals and small groups to **pray regularly** for our staff, patients, and ministry
- Hosting a **prayer night or missions focus event**
- **Enlisting dedicated prayer warriors** who will receive updates and **pray specifically for seekers**

We do not immediately assign a discipler to every seeker. Instead, we begin by **covering them in prayer**. This time of intercession helps soften hearts, build trust, and prepare seekers for connection with someone who will study God’s Word with them.

Your church’s prayer ministry can become a **spiritual front line** in preparing the soil for discipleship.

We will provide:

- Clear, timely prayer requests
- Guidelines on how to pray effectively
- Stories of answered prayer and changed lives

Spread the Word

Help multiply the mission:

- Host a presentation or missions Sunday
- Share stories and needs on social media or newsletters
- Connect us with other churches, leaders, and missions advocates

Together, we can expand the reach of the gospel and bring healing to even more lives.

5. Our Impact, Your Eternal Investment

With your partnership:

- Students in rural schools receive **life-saving early diagnosis and treatment**
- Families in underserved communities receive **medicine and ministry**
- Elderly individuals receive **dignity, care, and daily provision**
- Spiritual seekers are discipled in God's Word through **personal Bible studies**
- The Honduran church is strengthened to **lead its own people in faith and maturity**

6. Let's Work Together

Your church can make a **real, lasting difference** in Honduras.

- ✓ Give to support medical and spiritual care
- ✓ Send a team on mission
- ✓ Pray for our work and the seekers we serve
- ✓ Share the vision and help us grow the movement
- ✓ Join us in seeing lives changed—physically and eternally

"Then He sent them out to proclaim the kingdom of God and to heal the sick."

—Luke 9:2

Let's work together to bring healing, hope, and the gospel to those who need it most.
