

NEXUS CATERING SPONSORS

Hi everyone! Thanks so much for contributing to *NEXUS*. **We're so grateful** for your work.

Providing delicious, nourishing meals to our cast and crew was very important to us, and part of that involved local businesses that were willing to donate to us for free or give us discounts! **All of these businesses are small, local, and run by POC and/or women**, and several expressed being setback by the pandemic but were still interested in helping us out. In exchange, all they asked of us was to ask our cast and crew to **leave them 5 star reviews on Yelp and Google and follow them on Instagram**.

We'd greatly appreciate it if each of you could leave kind reviews for them and follow their Instagrams, **especially for the ones that provided the catering for the day(s) you worked**. Not only would this honor their generosity, but it will also **sustain this community of support and keep these local businesses willing to support future projects of young artists**, which could include yours!

We have linked each business' pages. We have over 100 cast and crew, so if each of you just took a few minutes to follow, leave a one-sentence review, and give a 5-star rating, **we could make a big impact!** Please contact our producer Bella Jiang @ (510) 402-7680 if you have any questions.
