

This PDF is a mix of emails/pictures/links/video/audio evidence to the wrecker whom is in possession of my 2014 dodge charger that I would consider to have been stolen thanks to the collaborative actions/inactions of many institutions and agencies ranging from the FEDERAL levels of the GOVERNMENT OF CANADA, to PROVINCIAL levels of the GOVERNMENT, to MUNICIPAL levels of the GOVERNMENT(s) all across CANADA the last 5 years in this limbo stalemate hell ride that indeed have failed in their duties/oaths of office under SECTION 21 and many other crimes, or have otherwise overtly worked in collaboration with each other to trespass UNLAWFULLY not only against Annette Marie (since going missing April, 2019 going to VITAL STATISTICS, VICTORIA, BRITISH COLUMBIA) the other mother I subsequently met at the CALGARY INDIGENOUS HUB (while seeking help for Annette Marie after she went missing) that is now possibly murdered as well as she was being threatened by a Calgary police services cop after he saw us speaking about her murdered daughter and the horrible satanic ritual abuses/sacrifices/murders they do on/to millions of women/children per year all over this world! Brian as you can also see I've learned is but one example to a whole other level of government sanctioned secret experiments that are ongoing and also affect millions of people all across this world!

Seeing as it is confirmed beyond any reasonable doubt the online platforms RUMBLE INC - 218 Adelaide St W, Toronto, ON M5H 1W7 and Bit Chute Limited, Box 813, Andover House, George Yard, Andover, Hampshire, SP10 1PB. United Kingdom. Company number 10637289. Just to name 2 of many I am adding the beginning of this PDF in my about sections with break downs of relevant groupings/sub groupings, or playlists where available as to highlight them front and center seeing as the shadow banning and analytics frauds, or otherwise switched videos (to confuse dates and or orders of the original uploads) for all to see for yourselves! This shall be added onto as new content is edited and I am able to bring them!

including warrior calls again where you can see the other cases of pedo judges stealing children as well the FOIA's that PROVE THEY HAVE NEVER ISOLATED A SINGLE STRAIN! Also other links from other sources that break down the serious things soon to come so you can be prepared and ready, and warn who you can that would listen!

Recent ones with Brantford PD with the cop from six nations, as well bell screwing me and the Tartaria video with the white love video they have changed now with AI to invalidate me! (the Jesus lie etc)

INCOMPLETE SECTION I WAS WORKING ON STARTS BELOW HERE I AM INCLUDING! I AM RUNNING OUT OF BATTERY AGAIN SO SEE BELOW FOR WHATS IN THE CAR AND BELOW THAT PICTURE EVIDENCE MASHES! PLEASE DON'T DESTROY THE CAR/EVIDENCE AS I AM TRYING THE BEST I CAN!

Seeing as the soros/g8tes, orange skin demon puppet at rumble here is cranking up the heat on my view/subscriber counts this video is being put in the about section of my channel with all the recent videos the demon tool pavlovski that runs this farce pedo demon enabling platform is screwing with! Along with another recent video linked here that also has more throttled videos they don't want you to see!

A general rule to follow with my channel should anyone care is if it shows it has no views they don't want you to see it for a reason! As for my subscriber counts here or on bitchute don't be fooled by what they say i have either because all the so called "free" speech platforms including truth social have now proven to be compromised! i've caught them all and have proof of it so say what you shall it is no longer a doubt and even the federation of planets orange clown puppet is nothing more than a lesser evil piece of biped trash that could care less about any of us at the end of the day!

And seeing as this satanic nazi front rumble here won't allow playlists and likes bumping recent videos down (to confuse dates) i have no other option but to add onto this here in my about section as is needed down the line!

URGENT regarding dodge charger

To whom it may concern – Management

Hello it's Jason Nolan with the dodge charger you are holding (hope you are still holding) and I'm sorry I haven't been able to get back to you guys about whether or not the gentleman asked the person he knew (that knew about me and the car) but my tablet got broken as well now last week and the guy that was helping me out with the phone occasionally moved from where I am in the tent now as well so I have no means to call or even hardly email broke here as people are now getting word of who I am here in town and I get many that either are tweakers from after I got robbed that seen everything on my phone (evidence, call logs to police, audio, pictures etc) and then there are the corrupted officials as well thus I'm always looking over my back here thanx to this continued 5 year limbo hell ride!... Anyways I get my ODSP tomorrow and have a friend that may be able to help me a little bit but to be honest I cannot see me being able to pay the full amount by tomorrow... I am currently seeking help from my ODSP worker and finishing other evidence details since the robbery in hopes they pay me that back pay for my CPP of which they owe me several years back pay... But please realize it was CRA that screwed me in the first place with the CERB, which led to me loosing much of my records in my Calgary storage unit thanx to the OPP screwing me because they are officially gone commy rogue! Please see the warrior calls links for more on all the ongoing child trafficking cases the OPP is directly involved in covering up! Never mind the 666 corona bioweapon they released that according to many has taken the lives of hundreds of millions now around the globe!

Annette Marie well she went missing going to Vital statistics in BC so I am main witness to this as well the likely murder of another mother at the Calgary indigenous hub that I met when I was seeking help to find Annette Marie! The 60's scoop, all of it is part of government experiments that continue to this day and despite the fact I never would have believed it, it turns out the native peoples all over Canada have been and still are directly

involved with these things or the subsequent acts of covering them up via bribery or extortion etc such as my current chief that refuses to pay me that 7000 that was a per capita payment from investments they made to all the same companies that are trying to finish me off here! Facebook, twitter, moderna, and many other Chinese companies as well since we got our 200 million land claims settlement 3 plus years ago!

Included below as well are all the recent videos on my rumble account that is heavily censored as well now because they are also corrupt and right in bed with the orange puppet trump whom is actually still president because dominion voting located right in Toronto is where the soros fronted election fraud machines are made... millions of military aged men have been allowed to flood in to the south, all these fires are MAN MADE using energy weapons (see twitter links as well enclosed pdf google drive links for more on it all that I am also enclosing)

You can see all the audio vids with amy from taylors, as well audio with six nations police as well Brantford since the robbery as well many calls to my corrupted chief!

I did include your old email address on the last email thread to OIPRD from a week ago and I'll include what it said below but know I will not add your new one to the next threads as to try and keep you guys out of this the best I can! THANK YOU SO MUCH FOR YOUR UNDERSTANDING AND PATIENCE with me thus far you don't know how much it means to not lose the car (which indeed is evidence) as well as the last of my things! Please see all the links ad warrior calls as well so you can educate yourselves and help warn your family and friends too because they are slated to release more bioweapons here soon before winter by my intel!

Email to you with all links mentioned below_

https://docs.google.com/document/d/1SCDUbAf0PVxUIpPq_TSsGaYiYplO6NIpYQI_WXKaNEO/edit?usp=sharing

PLEASE I hope you can hold the car until I find out what the hell I'm going to do here and if you did talk to that other guy please let me know as soon as you can, or if you even get this email as they block texts, emails you name it all the time on me! As soon as I get a phone tomorrow I will call you ASAP

Chi-miigwetch again for your understanding and patience and I hope you prepare and take all this seriously as this is very serious for us all! Know that I would never lie to you and all the evidence is out there beyond what I have shared here and as soon as I get a phone and can finish more stuff I will follow up on the other calls I can't finish because I'm broke here with no place to even go! I can't trust down town at this point because the cops here too are corrupt as fk and let the tweakers do what ever they want! So many murders now as well of dealers that are selling kill doses ON PURPOSE and they could care less!

LAST EMAIL OF WHICH I USED YOUR OLD EMAIL ADDRESS BELOW_

Formal investigation requested

In the interest of time due to the fact i was robbed as previously was stated a couple weeks ago i do not have any phones nor money! No help aside from a few locals and aside from being watched like a bloody experiment the last 5 years and seeing as my commy bought and paid for chief and council still refuses to pay the big tech/big pharma blood money i am adding all parties here to start an investigation (even though i know these agencies are all bloody rogue at this time)

To the wrecker please hold the car until my commy bought and paid for chief finally pays me here!

As for the links i suggest you share and prepare for further bioweapon attacks soon to come!

LET'S BOOK MARK THIS FOR THE WRECKER PLEA & OIPRD INVESTIGATION FOR 223!

AUGUST 11, 2023

THIS IS MERELY TO BE ADDED ON TO THE POLICE REPORT BEING FILED FOR MY RECENTLY STOLEN CELL PHONES AND INCLUDES RECENT VIDEO'S REGARDING THE SOON TO BE STOLEN CHARGER THAT I WOULD CONSIDER EVIDENCE THAT IS BEING HELD BY TAYLORS TOWING THANKS TO FAILURE TO ACT BY SIX NATIONS POLICE SERVICE!

As it describes in the below videos I've made every attempt for over a week to access the per capita payments from Missanabie cree 223 staff despite the fact I consider it blood money seeing as the body count that is associated with these companies our corrupted leadership invested in is now estimated to be hundreds of millions world wide according to many and as the evidence of this piles up there is no longer any doubt of this! Regardless due to coordinated efforts between the "elders" I was staying with (that are related to the chief) and other agencies within 6 nations, as well those 5% federal ministers that also have directly affected not only my CERB payments, but Ontario works, as well further issues with my CPP pension, I have no choice but to pass this tainted money towards Taylors towing where the car has been held since june 29 2023.

It should be noted I tried to contact S. Campbell over a year ago to find out more details of these investments as well if they were made before or after being duly notified of the ongoing global democide attempt against us all! There was no response then, nor any now thus I am now including Brantford police service in hopes they may actually do the right thing unlike anyone else! Also I am Including files from the OPP email thread as well to my Ontario works worker from Orillia that effectively was the reason I was chased out of my home town to end up now homeless here in Brantford after the "elders" had me evicted at the end of June this year! See as well the links regarding how serious our situation is as well warrior calls for many more links that VALIDATE EVERYTHING I'VE BEEN SAYING!

Hello again Ms. I am including a short list of links with more information/proof etc explaining the truth of turtle Island for your interest to help you see why they would go to such lengths to finish me off here because they don't want me back on the road or for this "god" lie to be revealed! Please realize all I ever cared about was Annette Marie, the other mother, Brian and others like us before I found all this out way after! I neither considered myself a "christian" nor "native" as I was raised a concrete Indian pretty much thus I have always remained unbiased in my research! I am merely sharing this too in hopes you like everyone else takes this serious what they are planning next against us and that I'm not crazy at all and that all the proof is out there to validate what I am saying! It's alot to research but it is all out there for the most part with more being revealed by the day! I noticed as well I couldn't open the FOIA links I sent in the earlier email but they are all on warrior calls website linked below_

<https://awarriorcalls.com>

Full Google drive link as well copy and paste below that in case Google screws me again here! As for this email account as I've explained I need to use many aliases to try and confuse the AI as best I can!

<https://docs.google.com/document/d/1T8jPdr0twOM8pJt9aPr1W38POoqtglS8p9J4Dsui0wY/edit?usp=drivesdk>

I've done this short link lists for your interest I plan on expanding with the video of white love that told me who the cree really are and so you know one of the main reasons they did the 60's scoop was to find people like me, that they would call "star seeds" or of the 144000 that started coming in the 50's and onward... myself I was born year of the dragon 1976 as a master 33 3 lifepath soul number so they got to me in London and many of my family members as well... And if you never saw the picture on the library wall here well it has a blue skinned being on it or otherwise known as Andromedans or from Shiva and all these ET "gods"... realizing that now insert ancient land reclamation going on because without a doubt we are fully infiltrated by china and the brown man with the pink turban wrapped terrorist running majority government with turd-eau/castro now .. they won't even let that terrorist back in his own country for crying

out loud and we indeed have chinese police stations here now as well... we have even been training their military to fight in Canadian landscapes for years... as for orange puppet he purposely left the border open in the south letting millions of military aged men in since Biden "stole" the election in 2020... coup d'etat basically yes!

Thought I would share monkey werx channel as well if you don't believe how serious our global situation is... He is ex military that reports military air traffic and if you go back over the years you can see him report all the time the military SANCTIONED transports of military aged men to central america from all over the world the last 3 years... Even the orange puppet bragged he could have finished the wall in a month! And he had the election interference executive orders in 2018 so he knew damn well they planned on stealing the election! All connected to rumble and soros running right out of Toronto here still now!

<https://youtu.be/2ECnw7chfil?si=yYDdB8MutJtUUHeU>

Although I could do without monkey werx buy-bull thumping bunk he does do a good report of ongoing military action and as you can see it's not good now the world over so be prepared for bank shut downs, net shut downs and back everything up! They shall use the 5g as Todd Callander explains to start the next phase of their war here likely before winter... They are also using genetically modified insects that are spreading bioweapons as well such as millaria and other worse toxins that they will blame on a new "variant"

You can see the demon death spiral as well that is happening more all over the world too.. it's them using the 5g to activate the graphene oxide in the vaxxed...

IT IS STILL A LIMBO SITUATION WITH MY BOUGHT AND PAID FOR CHIEF AND COUNCIL AT 223 BUT WITHOUT A DOUBT THEY AS WELL HAVE FAILED IN THEIR OBLIGATIONS NOT ONLY TO THEMSELVES, BUT ANNETTE MARIE, THE OTHER MOTHER, BRIAN, OUR WOMEN AND CHILDREN, OUR COUNTRY, AND INDEED MACRO OF OUR WORLD!

Hello again below is just a small copy and paste of what is in the google drive file linked below but as i am running out of battery again it is the best i can do for now! As you can see they paid only one 5000 not 2 and the other 2000 they are still holding on me

because they want me to loose the car as it is evidence! As you can see i got my settlement 2019 and built the studio with it trying to find Annette Marie, the other mother then the corona lie came and i pressed on as far as i could until they finished me off here! PLEASE I HOPE YOU CAN HELP HOLD ON A LITTLE LONGER! WE HAVE TO STOP THEM!

Hello **** wrecker [@.com](#)

Below is an add on I am working on to add to my about description on my rumble channel due to the fact even they (a so called "free" speech platform that is directly connected to soros and dominion voting in Toronto that is a front for trumps truth social platform... realize trump actually won and biden is not even president as trump is a lesser evil con working with XI and putin pretending to be cleaning up the global elites! I shall include some picture mashes and you can learn more on the twitter links too as well a recent fb video from the goldfish report explaining the next "wave" 5G attacks that are coming soon!) are censoring me and stealing views and comments! Please realize with no way to recharge my laptop, them blocking calls, texts and emails to many I've sought help from I cannot get everything done here I would like to help prove our case better! As well of course bell is part of CTV, iheart radio that owns the radio station I was in the contest for that I was in when Annette marie was taken going to vital statics in BC so its not hard to imagine why every level of government is screwing me here! I am also including warrior calls again where you can see the other cases of pedo judges stealing children as well the FOIA's that PROVE THEY HAVE NEVER ISOLATED A SINNGLE STRAIN! Also other links from other sources that break down the serious things soon to come so you can be prepared and ready, and warnwho you can that would listen!

Recent ones with Brantdord PD with the cop from six nations as well bell screwing me and the tartaria video with white love the changed now to invalidate me! (the jesus lie etc)

head quite some time later. If this happened to you you are in absolutely no physical or legal danger. I live in Winnipeg I was living on Victoria ave When I was implanted. The influx of tweakers has given them a good cover and group of people to Use. It took me about ten months to accept the fact I had been drugged and operated on. The voices in my head claim they discussed the implants with my family most likely to gain easy access to my defenseless body as I slept in my bed in the house I felt safe in my whole life. Their excuse for doing this will be that they were concerned for your well being. Which is how the government justifies their disregard for human rights.

The truth is that you are the victim of A CSIS mind control project. At the moment I am still implanted and it sounds like some guy with a computer program playing around with the sound effects to literally establish control over me through constantly annoying me with an electric charge I cannot ignore or remove. I need someone in the medical field who will understand this new technology that not many psychiatrists will believe anyone about. I was committed to HSC for a month because I went to ask the people I should be able to trust for help and had all the pertinent information to explain my injury. No doctors would take me seriously enough to put a hand on my head and feel the physical proof of the disgusting inhumane implants that are very easy to detect when you know what to look for. If the Canadian Security Services wants their top secret brain training implants back or can help me please text [redacted] or follow the cellphone signal emitting from my skull. In reality [redacted] it is very well known technology used to restore hearing in deaf children

i left another message Ms. as well called you after we last talked but you never responded nor answered so i hope you haven't destroyed my things yet please or they have gotten to this phone and number as well! Please know as shown in the pictures and screen captures i've included i am adding way more media contacts and sources you and your family and friends can use/share/warn others as well because things are about to get a lot worse for us all by my sources! Also my hope is the updated info as well including the bell cybercrimes to the existing threads along with more info i am bring to my worker this may get me my pension back pay quicker is my hope! They are obviously all connected to iheart radio (cjay 92.1 and the contest is where this started) CTV which is also bell media, and all my phone lines well they were bell of virgin which are the same thing, thus i am hoping when i get all this together to add onto all the rest they will act because at the upper levels the CEO's ALL KNOW I AM SPOT ON HERE AND WHAT THEY HAVE DONE, AND ARE PART OF AGAINST US ALL!

Please understand as well as you can see by the enclosed pictures my laptop is worse since calling six nations police and it's very hard to do anything on the streets here with no power and data now an issue again thanx to all the extra expense from bell, the robbery etc... plus i have sketchy people all around here and am always looking over my back here!

in order to save time gather all the links directly for you many you can see and search yourself using the enclosed pictures within and i shall put a couple here now as well as a new video catching musk again on X... also i am finishing the flyer and handing it out in hopes of donations but as i've explained most people are so out of the loop on the true history thus they deem me crazy once they see my claims (even with all the proof) that the jesus story is a lie and this real war really started here on turtle island so as you can imagine most just deem me nuts and never help us here!

Newest Fuford report explaining more about things getting worse in october as well cobra's site... realize i am literally a government experiment in a limbo stalemate hell ride here 5 years now ad cobra is one of the ones protecting me i believe!... see his site for more on the pole shift coming, corona lie and much more should you care!

If we don't reign in the craziness of our Federal agencies & Government SOON — buckle up America because it's about to get really ugly... Critical Infrastructure is vital to every aspect of our lives and with how out of control it has already become regarding our borders and Military Tech — just watch as this makes its way into Banking, Credit/POS (point of sales) systems, and our stock markets. Let alone Elections, Voting, Child and Human Trafficking, FVEYEVES, Emergency Services, FAA, FCC, DHS+++ — among so many other things. Ericsson/Huawei are completely infested & hard-lined into our Critical Infrastructure — back doored directly into virtually all systems that matter — Military or otherwise. I called CISA in back in March (see call below) and they didn't even deny it, in fact they further admitted to it. **Missing F-35's will be the least of our worries.** We can't even tell what's true/untrue — real/unreal anymore — this video is of Admiral Rogers at RSA in March of 2016, how did he know this wouldn't be the last we would see of the Ukraine — way back then? **Data Theft - Removal/manipulation of Data Theft of IP - Cyber used as a tool for destruction to tear down the Status Quo** (we're there and we are the Status Quo) Listen to his three concerns over Critical Infrastructure + Cyber and the Military need to be able to Trust & know what's happening in front of them — in order to make real-time decisions + what can happen if the cyber domain is left untrusted... This is an EXTREMELY DANGEROUS precedent to set — let alone to allow play out, given what we now know. What were Obama and Clapper+++ trying to do with regard to Rogers along with NSA

[@GenFlynn](#)

during this time? So I have to ask: where are all the other “Military Leaders” or “Experts” to speak out against this madness!? At what point will you cast aside your Titles, NDA's and Privy Security Clearances to step forward to do the right thing!? We need clarity and we are not going to get it from the current administration who openly partners with the killers of American Soldiers (Ericsson) and Corporations that are barred from this country (Huawei). By coincidence — these is the very same Administration & individuals who tried to force out Rogers and harassed General Flynn & now Former President Trump as well as several still locked up fellow citizens from January 6th... We used to go to war for less. I'll be covering this all important GAN Technology that the late hero — Shane Todd (RIP) tried to blow the whistle over and was murdered for doing so. He was able to successfully get a backup drive stored. The harrowing story of how his mother Mary Todd delivered a folder of this very evidence concerning his murder and the hijacking of this all important GAN Technology & HANDED IT DIRECTLY to then VP — now President — Joe Biden who proceeded to COMPLETELY IGNORE IT... These systems are used to control F-35's and other military craft+++. Being early isn't wrong, it just means we're early and that we should SERIOUSLY START to consider a Full Reformat of our country — ASAP! I'll be announcing an upcoming Spaces covering this story with Mary Todd later this afternoon so please turn your reminders on and tune in later for confirmation. (See follow up Posts for links + CISA Call)

Re: URGENT regarding dodge charger

Hi Jason

Spoke to my boss the arrangement will be 500\$ on October 1,2023 and the remaining November 1,2023 400\$.

Then you will have to pick up your car.

If you agree with this arrangement confirm via email

Thank you

Re: URGENT regarding dodge charger

Hello Ms. sorry i just got to the emails now! that's so awesome of your boss and you, ok so how's the best way to pay you at the end of the month? i may even have gotten lucky with donations by then too or even have gotten my pension back pay hopefully but at the very least i sure would like to get some things and pay the 500 at best... its getting way colder now here and all my winter cloths are in there and so many other basic necessities i didn't have the time to get thanx to how all this went down! They literally sent like 6 cops and a bunch of suits that just watched from afar the coward demon puppets, while i was loading the cab balling my eyes out for crying out loud! i'm trying to arrange a ride but i don't know anyone here and my family is all either corrupted as well or are victims too like my mom and are scared to help me! a cab at worse is what i shall have to do but that's going to be expensive so i'm continuing to look in the meantime...
