

Second Grade Hilltop Elementary School

Week 4: April 6 - April 9

New This Week is a DAILY Google Slideshow.

There are activities that are a must and some just for FUN!

You will find the daily slideshow in Google Classroom.

Students will visit Google Classroom each morning to view the slideshow that will explain all the daily activities/assignments. All videos will be included in the show to make it easier for students to access. Only the slides with a SUN are required. Everything else is extra fun! Hope you enjoy this new look!

Love,
Second Grade Teachers
