

PLAY DAY 2022

Our Annual St. Kateri Tekakwitha Play Day is Back!
This event will take place on **Friday, June 17th, 2022**.

Play Day is a day for play...it is a chance for all the children in the school to participate in various outdoor activities. This day encourages our children to work together and have tons of fun while doing it.

In order for this event to run smoothly, we require parents help. If you are able to help for half or the full day, please let us know. As well, the evening before the event, we require some help with set-up. Please indicate below if you are able to join us. Thank you again!!!

_____ is available on June 17th:
