### **K-M Youth Fishing Team**

#### **2025 Sponsorship Form**

The K-M Youth Fishing Team is composed of youth anglers in grades 1-12 who reside in the Kasson/Mantorville area. The club provides members with the opportunity to engage in the promotion and participation in the sport of fishing as well as the much-needed commitment to conservation. Members also compete in competitive fishing tournaments throughout the State of Minnesota and can earn the right to compete nationally.

#### **Our Goals**

Our primary goal is to give each member an opportunity to enjoy the natural resources while learning valuable skills such as the commitment to conservation, proper fish handling, boater safety, fishing techniques, and team cohesion. These youth anglers will participate in fishing events, tournaments, fundraisers, practices, seminars, conservation events, and will volunteer at local events.

#### **Why Sponsorship is Important**

By sponsoring our club, your business gets an opportunity to support conservation and the love of the outdoors and fishing among our youth community. In addition, a sponsorship provides you with visibility for your business in our community and beyond. Annual donations help fund our educational seminars, community service projects, member scholarships, tournament fees, jersey and equipment fees, and our volunteer boat captain's expenses.

#### **4 Levels of Sponsorship**

##### **1) Platinum Sponsor**

-Donation of a minimum of \$2,000 to be a team sponsor. Business will be displayed on all social media accounts from the club. Premium size and location on our team banner and fishing jerseys (large logo on front or back center of all team jerseys).

##### **2) Gold Sponsor**

-Donation of \$750-\$1999. Businesses will earn medium size logo placement on team jerseys. Logos in this sponsorship level will be placed between upper right or left chest or back, or sleeve placement (depending on availability). Business logo will also be of medium size on our team banner.

##### **3) Silver Sponsor**

-Donation of \$350-\$749. Businesses will earn a small logo placement on the lower part of the front or back of the jersey (depending on availability). Small logo will also be included on our team banner.

##### **4) Bronze Sponsor**

-Donations in this category are \$50-349 and are so valued by our team. If you would like to donate any amount it all adds up and we appreciate your help so much. If you would like a logo placed on our social media and team banner please let us know.

**NOTE: It is imperative to secure your sponsorship by March 1st, 2025** in order to showcase your business on the team jerseys and banners. Unfortunately space on the jerseys and banners are limited and can sell out quickly. If you don't secure a spot on the jerseys and/or banner we will do our best to promote your business on our social media accounts, at each meeting, practice, and event gathering.

Our youth anglers are proud of their club and will wear their team gear to all events and tournaments. They will likely be wearing their logo gear to school and community events so your logo will be viewed by many. Your company will be promoted by a group of youth that are committed to community, conservation, sportsmanship, and the love of the outdoors.

Thank you in advance for your consideration in supporting our youth anglers.
