

# ONE NEW SCHOOL

With a school wide vote of no confidence in the current administration and board of trustees, ONE NEW SCHOOL COALITION is founded.

This vote, the successful founding act of this coalition, expressed that we have no confidence in this current administration and the trustees. We rather have confidence in ourselves as ONE NEW SCHOOL to continue the fight for returning the university to community self-governance.

This vote was taken collectively by students, staff, part-time and full-time faculty, alumni, and parents, on December 12th, 2022, both in person and virtually with the result of 421 for and 10 against.

**We invite all members of the community to endorse this [VOTE HERE](#).**
