

*Rainmaker *GLORY* Challenge*

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

End of the Day Reflection:

- Overall pretty good day but I have faced a roadblock that I done all day. I didn't set up any GWS but I just kept pouring energy into it and solved it. Although Idk if it was right to complete it at a certain time during the day since I felt like I just kept hammering this roadblock

The Man/Woman You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

- Right now I am the man who isn't where he wants to be which shows you are not doing enough. Right now you aren't fully in control of your mind like the driver. And how do I fix that? I believe by fixing that is taking ruthless action on the critical task.
OVERDELIVERING
- I want to be the man who constantly has inflection point in every task he does and is a completely new man before 2025. I need to be jacked, running on my own money, have rainmaker status to become excellent & showoff my skill, be a superior individual to show whos about it

Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- so I can sit at the table with my agoge 02 Gs in rome/dubai Eating steak at a circle dinner table & discuss our journey of our way up. I need an image for this...
- So I can understand allah and reach jannah al firdaws and see the almighty god himself. I want to see my great neighbors in heaven and have a good time with everyone
