

Terms of Service

By paying for a commissioned piece you automatically agree to the following terms and conditions:

General info:

- It'll take two - five weeks to make your commission after I started work with you and received the payment
- I can draw erotic, nude versions, but not porn. It should be aesthetically pleasant.
- "I trust your taste so I'll leave the style and design of the outfit up to you" - i am thankful that you like my designing skills but it takes a lot of time and effort to design the whole outfit for your illustration. So I'll **charge extra** for it. You can find any possible outfit references to avoid extra payment. I may not draw it 1 in 1 but I need an example of what you want.
- For the commission **I need references** of:
 - character
 - outfit they will wear
 - pose
 - emotion/mood of illustration
 - brief description of character's personality

I'll draw:

Your OC(Warcraft, Final Fantasy, D&D ect.), your OC with canon characters, fanarts, humanoids (at least 60% human), mechanical body parts

I'll NOT draw:

Real people, furies(face and torso), mecha, heavy violence, army related things (uniform, weapons, battlefield etc.)

For the example

I draw: draeneis, mermaids, centaurs

I not draw: werewolves, vulperas, minotaurs

Payment:

- You can pay after sketch, because I want to be sure that I completely understand your idea
- There can be payment plan when you pay half of the price - I do half of work (sketch, colouring and shading), then you pay other half and I finalise illustration (rendering)
- Second/third character full 100% price
- To ask about the price of your commission, send me a character reference and a brief description of your idea at my [Twitter](#) or at Discord - veelpo

“I’ve Changed My Mind!”

You can modify your commission at any time before I start working on the piece. You can upgrade or include additional add ons simply by paying the difference. You can even change the character information entirely. Just remember that I cannot provide refunds for downgrades.

Once I start working on the piece, some changes become much more difficult to make. I’m happy to make minor modifications within reason. Larger changes may require additional fees, or a new commission.

REGARDING RIGHTS TO THE ARTWORK (only applies to personal commissions):
