

0:00 THEME OF SLAYER; KOREAN

0:36 welcome to the castle super new years cast~! Welcome to TOP CONTENT

1:50 trading out stuff to watch to stuff you can just listen to. Pat and listening to video essays instead of watching it.

- 2:58 remembering the time they found out people just listen to LPs.

- 3:58 "pat sounds really weird at 1x speed." (I listen to the podcast at 2.5x minimum... Oh no, im being called out)

- 5:57 just put it on at X5 and drop the volume down to nothing. And foxcade saying 'I watched glass onion on my primary monitor.' as a glowing review.

- 6:41 going to sleep listening to something. And listening to something while driving your car. LA traffic.

- - 7:49 pat cant go to sleep listening to something.

- - 8:29 pat's cool trick for sleeping. When your arm gets tired it means go to sleep.

WEEK OF THE BEAST LORDS

WOOLIE

9:19 Screw you its january! Hitting a threshold. 20 pounds down!

- 11:10 the diabetes number went down! and how the scale works

- 12:30 You have to lift weights.

- 14:18 recording sessions are shorter now. Cant record if you're dead.

- 15:02 after getting fitter, pat feels like he can stream more.

- 16:24 on needing to sleep. And pat shouts out to his dog to help him keep his sleep schedule.

- 18:14 drinking uncomfortable amounts of water

- 19:33 eat less, pick things up, put them down, walk around.

- 20:56 20s pat: stop drinking redbulls pat, you're getting a kidney stone. And someone in woolie's family had a kidney stone at the same time as their dog.

- - 22:56 Pat had a mountain dew for the first time in a while. And Baja blast is chemicals

24:45 just been holidays. Working through stone ocean. On act 3 with a new intro.

- 27:04 they're handling some parts better than he expected, and doing some insane weird stuff

- 28:08 Woolie REALLY wants a weekly release schedule. And streaming services doing some really anti-consumer things.

- - 31:06 on the complete lack of discussion for stone ocean due to how they dropped the episodes

- - 33:23 dropping in batches of 4 now! And woolie imagines if they drop steel ball run like this.

34:39 javik is here in Mass Effect 3. On how they cut him out and made him day 1 DLC.

- 37:28 the 7th gen's monetization and how far to push

- 38:55 on ME3's multiplayer

- 41:06 comparing it's progression to dead space and dragon age. On ME somehow coming out without being completely destroyed like those two

- 44:33 having a prothean around is great. On space racism and being just a soldier.

- 48:10 on the codex and just wanting to know which ones are new

- 49:27 missing the best line in the game

- 51:12 checking out the WWE games and their dark patterns

- 52:50 pat on emily wong being replaced. And on the scanned in people not looking great

- 55:44 the alien characters looking better than the human characters

- 57:15 the legendary edition changes and changes in lighting

58:39 go check all that out over at woolieversus! He'll be at magfest, so short schedule. Also remember to woolieversus the algorithm! And bayo 3's over.

PAT

1:00:05 Glass Onion. And the title being "Glass onion: a knives out mystery" with it being stupid

- 1:00:58 It's great. Integrating amongus. Batista is the best actor-wrestler. A violent and aggressive format.

- 1:02:52 punch mom and liking whimsical wes anderson-like movies

- 1:03:37 just put his name in the title. And on james bond movies

1:06:12 Pat went back to hades and beat it. On how to actually beat it 100%.

- 1:07:15 where woolie left off, him only managing to get 35% of the games content.

- 1:09:22 the heat system, extreme measures.

- 1:12:00 woolie regrets playing early access, and after 100+ runs pat is still seeing new stuff. Still feeling like a new game

- 1:14:52 the current game is like a sequel to the early access version

- 1:16:00 On the boons breaking the game.

- 1:19:00 woolie checking out the last time he played

- 1:20:30 pat's been playing nonstop and seeing all the content stuffed in the game. Will probably keep playing until hades 2. Woolie on going all in on early access games before they come out. Not wanting to do it again.

- 1:24:39 Pat on just starting over when it comes out for real

- 1:28:24 if you like roguelites at all, check this one out, its the best one

- - 1:29:15 pat doesnt like pyre

- 1:29:56 woolie on how he plays games these days, having one time killer and whatever else he plays is for LPs

- 1:32:25 woolie DOES want to play it. Its just 'I want to get back to it'

1:33:14 Woolie has a story about yomi hustle. On rage quitters and on the case of talking to a rage quitter.

- 1:37:09 woolie wants something more than ragequit jail. The ragequit chat room

- 1:39:16 on SF6 and the forfeit button

- 1:40:31 understandable reasons to leave a match of a 24 man in FFXIV

1:43:20 SPONSOR: STITCHFIX

1:46:11 SPONSOR 2: EXPRESS VPN

1:49:45 SPONSOR 3: HONEY

1:51:28 On hades 2: The OG hades has 4 colors. New color time.

1:52:36 cooking with hello fresh. Cutting quarter inch pieces. Get the ruler out.

NEWS

1:57:20 pat demands to know about Square Enix's koopy problem. Woolie pivots to the famitsu game dev interviews to segway into square enix to triple down on the development.

- 2:01:37 Remember yoshi-p bluntly rejecting koopys? And what reasons do they have for continuing to double down?

- 2:03:51 you know koopies are dead because yuji naka hasn't been convicted of fraud in regards to them.

- 2:04:55 konami stating they are deeply and quietly progressing on new projects. Seems it was for silent hill: the short message. Pat has negative faith.

2:07:58 itsuno: dragons dogma 2 is being worked on

2:08:18 sakurai has stated he is 'semi-retired'

- 2:10:19 wouldnt it be great if another smash bros game came out without sakurai on it and it was terrible? - pat.

2:12:03 dokapon kingdom: connect rated by the german rating board. The level of toxic for an online dokapon kingdom will be legendary.

2:14: 04 Fate/Samurai remnant is coming. Fate musou.

2:15:46 the FF pixel remaster collection announced. The physical anniversary edition is 260 dollars or 75 dollars digital. Pat says DONT use the square enix website. It is the worst.

- 2:21:37 square feels like the yoshi-p side is a completely different company

2:22:44 the depressing thread of battle for the grid dying because the management got super into koopy and went all in on it, causing all the devs to quit.

2:24:55 they're selling bridget's yoyo! Want a 300ish dollar metal yoyo? Or you could get the cheap plastic one

- 2:26:40 remember that FFVI terra statue?

2:28:23 not much going on.so send your emails to-

2:28:56 oh, wait, they wanted to talk about Matcherino and Arturo Sanchez skimming money from the pools.

- 2:32:12 Arturo's response making him look even more guilty.

- 2:34:40 alex valle is cool

- 2:36:07 that whole generation is going nuts

- 2:37:50 Core-a-gaming traveling to pakistan and doing a video on the tekken scene
