New players can be signed at any time so long as they are not signed for another team.
We strongly recommend that all teams endeavour to have a squad of at least 8 players.

Please ensure that all entry monies accompany the entry form & that it is returned to Hereford Q Club by Sunday 19th April, 2026. No entries will be taken after this date.

Proposed League start date Thursday 30th April, 2026.

If you happen to change your team's name from previous seasons' name, it will help us if you could advise us of what your old team name was.

All teams should provide at least one contact to submit match results via the RackenApp app. Please could each team supply an email address and mobile number above for the app and league updates etc.
