

Nationalism means :

Nationalism connects to imperialism because:

- To build empires countries must feel...strong and proud- nationalistic
- Being in a colony makes people nationalistic because.....
- Before the First World War, nationalism was growing in.....
- As war approached nationalism increased as countries encouraged.....

Nationalism began in Europe following the

People believed they should belong to one nation if they shared the same.....

In 1870 two nations formed.....

Russia considered it the leader of Eastern European

Nationalism led to the assassination of

The Bosnian Crisis 1908

Why were many unhappy?

Who wanted Bosnian land and a conference to be held?

Who objected?

Why was this a crisis?

Who backed down and felt humiliated?

Whose alliance was strengthened?

What consequences were there in 1912-13?

What consequences were there in 1914? (spot three)
