

Fundraising Hub

SLP Music Boosters

This Fundraising Hub has been created as a place to keep booster fundraising information in one spot.

All high school band and choir students are able to participate in fundraising at any time to support trips, patriot band, supplies and other band/choir expenses.

Because of the 2027 music tour to Greece, the boosters are trying to provide more opportunities for students to participate in fundraising and are excited to showcase them here.

Donation Request Letter

If you would like to send a donation request letter to friends or relatives, we've created this template that you can use if needed.

[Donation Letter](#) - Please make a copy of the google doc (File->Make a Copy) and then modify or delete the [bold] type to personalize your letter.
