

TITLE (ARIAL 18, UPPERCASE, BLACK, CENTER)

First Author¹, Second Author², Third Author³ (Times New Roman 11, Full name without degree, Capitalize Each Word, Center)

¹First Author's institutional address (Times New Roman 9, *Italic, Black, center, single space*).

²Second Author's institutional address (Times New Roman 9, *Italic, Black, center, single space*).

³Third Author's institutional address (Times New Roman 9, *Italic, Black, center, single space*).

Correspondence : Author's email as the principal contact (Times New Roman 9, *Italic, Black, center*)

Abstract (Times New Roman 9, Capitalize Each Word, Bold, Align text to the left, ± 250 Words)

Times New Roman 9, single space, contains the brief description of the research, research objective, research methods, research results and the conclusion.

Keyword : Keyword, keyword, keyword, keyword, keyword (Times New Roman 9, single space)

INTRODUCTION (ARIAL BLACK 11, BOLD, BLACK, IN 2 COLUMNS)

Body paragraph is written using Times New Roman 10 with single space. Each new paragraph indents in 3 pt. The content of introduction usually is the background of research and position of the research towards the other similar research. It also can be a brief literature review.

Reference cited according to Vancouver, numbered in accordance with the order of references in the research and in accordance with the sequence number in the bibliography. The number is written after dot "." in superscript. In writing the citations and references, authors are recommended to use reference management software, such as: **Mendeley®** or **Zotero**.

METHODE (ARIAL BLACK 11, BOLD, BLACK, IN 2 COLUMNS)

The content consists of research design, data collection, data sources such as the population and sample, and data analysis.

Research design (that subtopic should be Black and Bold followed by the description in a new line)

It is written using Times New Roman 10 with single space and each new paragraph indents in 3 pt.

The content consists of the data and information that have been collected.

It should be written using Times New Roman 10 with single space and each new paragraph indents in 3 pt. The finding systematically must be supported by charts, tables, figures or informative illustrations.

Data and information (that subtopic should be Black and Bold followed by the description in a new line)

All figures, tables, or informative illustrations are prepared as HD image file.

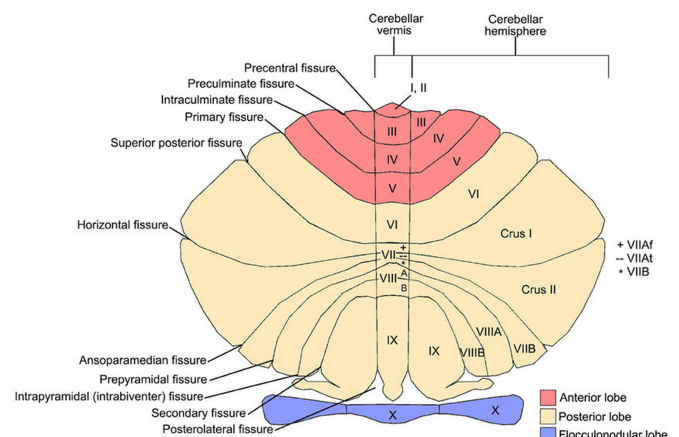

Figure 1. Legend must be written in Times New Roman 9, center, and placed directly below the image.

RESULT (ARIAL BLACK 11, BOLD, BLACK, IN 2 COLUMNS)

Article History (Filled by Editor):

Received: xx x xxxx; Accepted: : xx x xxxx; Published: : xx x xxxx

Cite As: Vancouver style

It should be written using Times New Roman 10 with single space and each new paragraph indents in 3 pt.

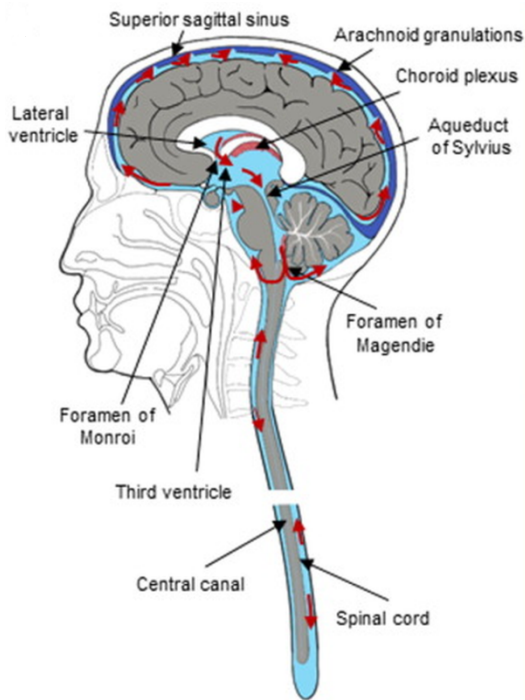

Figure 2. Legend must be written in Times New Roman 9, center, and placed directly below the image.

Table 1. Legend should be written in Times New Roman 9 with single space and placed above the table content. Apply the line only for top and bottom border.
