

BESA REFEREE MENTORING

Referee Mentoring Program

BESA established a referee-mentoring program in 2004, to assist new referees. Senior referees are assigned to observe new officials and provide constructive feedback in a positive, professional manner. New referees in BESA will be mentored. Don't be intimidated by a senior referee observing your performance and providing feedback. Mentoring is intended to be a positive learning experience that will accelerate your learning and elevate your officiating skills.

If you have any questions regarding officiating for BESA contact the BESA Director of Officials.

Mentor Pay ---	\$25.00	5U – 12U
	\$30.00	13U – 19U
