2023 Summer Reading Camp
STEM Application
Benefits, Responsibilities, & Professional Perks

SRC Related Arts and STEM Teacher Responsibilities:

*Attend an SRC training with ELA Director and Music/Art/Science Director to support planning of instruction and activities

*Assist with arrival, breakfast, and morning routines

*Each SRC related arts class with students should include opportunities for students to create multimedia products that showcase what they've learned in SRC.

*Provide students with an engaging and enjoyable integrated, interactive related arts experience

*Provide students with appropriate materials and resources to create a finished product that shows evidence of their learning.

*Collaborate with SRC Director and coach to ensure students have the opportunity to share their finished product with their peers and parents and family literacy events at the end of camp.
