

**SUBJECT SELECTION FORM**

**YEAR 11, 2026 SUBJECT SELECTION FORM**

**Students are requested to complete this form prior to their scheduled Subject Selection appointment.**

- Year 11 students must study 6 subjects. Students should indicate their preferred pathway and complete their subject choices.
- Students should include TWO reserve subjects in case their selected subjects are unavailable due to timetabling and resourcing decisions.
- It is compulsory for all students to study Religion and Life, English and a List B subject in Year 12. Students can select these courses at a level which best suits their individual needs.
- Foundation courses are only available if a student has not met the relevant OLNA standard.
- Foundation Mathematics is a compulsory subject for any student who has not met the Numeracy standard.
- Careers and Employability is a compulsory subject for Vocational students.
- All students completing a Foundation course must complete a Certificate II (minimum).
- If students choose to study a Cert II or III course, they can choose a maximum of 2 ATAR subjects.
- Please circle your pathway and use this as a reference to complete your subject selection.
