

# SOLAR ON LA CROSSE SCHOOLS IS HAPPENING!

@ Virtual Earth Fair 2021

**Date:** April 23, 2021

**Time:** 3:00PM

**Location:** Virtual Event

**Register:** [tiny.cc/SOLS-042321](https://tiny.cc/SOLS-042321)

---

## EVENT

During this informal presentation, **Amanda Schienebeck from MREA** will present about regional and national solar energy trends. **Mike Freybler, Energy & Transportation Manager for the School District of La Crosse**, will describe the district's energy efficiency efforts and a 100 KW solar installation at Hamilton Elementary. Find out about opportunities for teachers and community volunteers too!

---

## SOLS

Solar on La Crosse Schools (SOLS) is a new organization making good things happen for our schools and climate change. By displacing fossil fuel energy sources with urgency, SOLS projects will help cut air pollution and greenhouse gas emissions, reduce energy costs, and serve as a sustainability learning tool.

---

## JOIN US

There are many ways to support the work of SOLS. Please consider:

- [Donating to SOLS](#) through the La Crosse Public Education Foundation
- [Sending an email](#) to your friends, family, and social contacts about SOLS (email template provided)
- Asking a group you are a member of to publish [a short article](#) about SOLS
- Tweeting, posting, and telling your contacts about this effort! ([Sample social media postings here](#))
