

1. Post your shit here.

Remember, the tier is *Batman/Captain America*. No roles this time, ~~probably~~, so go nuts.

Make SURE these big ol' fuckos are in tier before submitting them. You can ask if things are in tier at the Discord: <https://discordapp.com/invite/fkX4Epw>

A crossed-out character (Alt+Shift+5) means that it has already been pre-selected by someone. Please be respectful and don't double submit.

You won't be able to submit things without RTs. If you want to know why they're on the document if that's the case, `_(ツ)_/`
