Dear Parent/Guardian:

Minatare Public Schools will be participating in a provisional meal program from USDA for the current school year **2024-2025**. By participating in this special program Minatare Public Schools will be able to serve breakfast and lunch meals to all enrolled students at **no charge** to them.

Studies have shown that children who are not hungry do better in school. By providing breakfast and lunch to all children at no charge, we are hoping to create a better learning environment for our students. The School Meals that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. **This Community Eligibility meal program cannot succeed without your support and assistance.**

Free and Reduced Price Income Eligibility Applications will not be distributed this year.

Sincerely,

Diana Closson

Administrative Assistant/Food Service Coordinator
