EXPERIENCE

Software Engineer, 100Devs, *Remote*

Aug 2022 – Present

- Implemented full-stack web application for client management, reducing manual data entry by 55% by automating form workflows and database integration.
- Supported UX and conversion improvements that drove ~60% growth in customer acquisition over 12 months.
- Supported revenue-focused improvements that increased profit by ~20%

Software Engineer, [ElectroEase](#) (> 100 hours)

Jun 2025 – Present

- Led the development of a hands-on electronics learning platform, attracting 100+ learners to a waitlist.
- Built an auth-enabled web app with **ReactJs** and **Firebase** for project progression and user tracking.
- Designed a scalable project and UX architecture supporting progression from beginner to IoT projects.

Full Stack Developer, Brainsite Consulting, Ogun State

Aug 2020 – Jun 2022

- Launched frontend optimizations that cut page load time by 50% by optimizing assets, rendering, and frontend performance.
- Consulted on SEO and social media strategy, leading to a 30% average increase in website traffic and improved search rankings for clients.
- Clients: Genesis Intelligence, Tempmint Agency, ReadyApples, and more.

Electronic & Engineer | Freelance & Mentorship

Jan 2018 – Nov 2023

- Built 50+ Electronic & IoT Project (smart dustbins, biometric attendance, RFID carts, ESP32-CAM etc), solving **real-world automation problems** with end-to-end hardware-software integration.
- Mentored 200+ final year engineering students guiding them to build projects and improving project success rate by 80% +

EDUCATION

Olabisi Onabanjo University, Agoiwoye

May 2021 - Jan 2024

BSc. Computer Science

Abraham Adesanya Polytechnic, Ijebu Igbo

Nov 2015 - Dec 218

National Diploma (ND) Electrical/Electronic Engineering

VOLUNTEERING

Digital Amazonite

Sept 2022 – Present

- Taught digital marketing to 60+ female students, equipping them with skills to become entrepreneurs in alignment with SDG 4 and 5
- Designed a website for the nonprofit, improving its online presence and accessibility for students and stakeholders.
