How do I print Canvas Quizzes?

1. If you are using Quizzes
2. Install this chrome extension to your browser

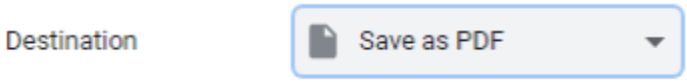

3. Open the quiz you want to print
4. Click on Preview

5. Click on the Canvas Quiz Printer extension in your browser.

6. If it's not a clean print: Preview the quiz and Ctrl+P change your printer to Save as PDF and then print from your desktop. The result is clean.

If you are using New Quizzes, follow the directions on this document.
