

**AY2023 Ambitious Doctoral Fellowship (Information Science and AI)
Research Activity Report**

March **,2024

Name :

Graduate Schools :

Title of research
Overview of research
Research activities up to 31 March 2024
Research activity plan from 1 April 2024 (Not required if the support period ends in AY2023.)
Potential for social implementation (In particular, please describe your concepts and ideas for the practical application and social implementation of your research results.)
Points of appeal to industries, local governments etc. (In particular, please describe your research plan to contribute to society by integrating your research field with Information Science and AI.)
Related information
Status of training participation, etc.
●AY2023 Ambitious Fellowship Program (Information and AI) Training Package [Course-1] 【Required】 AY2023 Guidelines on Confidential Information and Inventions Completed / Not attended [Course-2] 【Required】 AY2023 Ambitious Fellowship Program (Information and AI) Soft Skills Course Completed / Not attended *The above two courses must be taken by March 31, 2024 or the end of the support program, whichever comes first. [Course-3] Data Science Seminar

Completed / Not attended Future plans: *Please describe when you take this course and the items you plan to take. ●Requests for future training *Please feel free to describe any training you would like us to hold.

Outcome Indicators (Results in AY2023)
Number of papers: Peer-reviewed__ Non-refereed Commentaries and reviews in academic journals, etc. Presentations at international conferences: Peer-reviewed__ Non-refereed Presentations at domestic academic societies: Peer-reviewed__ Non-refereed Number of publication books Number of patent applications Number of granted patents Number of awards Number of press releases Number of published in the press (Newspaper, TV, and others) *Please enter only the number of each.

(Note 1) This report will be published on the university's website, so **please make sure to confirm with your supervisor** that the content of the report is acceptable for publication, especially from the viewpoint of patents and copyrights. **When submitting this report, please also submit a document that shows that your supervisor has confirmed the content (format is optional; a copy of an email or other document showing that the content has been confirmed is acceptable).**

(Note 2) In addition to this report, if you have any other materials necessary to explain your research clearly, please submit them together. **In principle, these materials will also be made public, so please check with your supervisor whether or not they can be made public, and only submit materials that can be made public.** (Materials must be submitted electronically.)

The following statement and submission are optional, but we expect positive reports.

① Please check the SDGs item(s) that your research may contribute to (multiple selections allowed)

1 NO POVERTY  ☐	2 ZERO HUNGER  ☐	3 GOOD HEALTH AND WELL-BEING  ☐	4 QUALITY EDUCATION  ☐	5 GENDER EQUALITY  ☐	6 CLEAN WATER AND SANITATION  ☐
7 AFFORDABLE AND CLEAN ENERGY  ☐	8 DECENT WORK AND ECONOMIC GROWTH  ☐	9 INDUSTRY, INNOVATION AND INFRASTRUCTURE  ☐	10 REDUCED INEQUALITIES  ☐	11 SUSTAINABLE CITIES AND COMMUNITIES  ☐	12 RESPONSIBLE CONSUMPTION AND PRODUCTION  ☐
13 CLIMATE ACTION  ☐	14 LIFE BELOW WATER  ☐	15 LIFE ON LAND  ☐	16 PEACE, JUSTICE AND STRONG INSTITUTIONS  ☐	17 PARTNERSHIPS FOR THE GOALS  ☐	

② Of the above, please choose only one of the SDG items to which you believe your research can make the greatest contribution (Write the number of item 1-17 above)
